Grace Foods? dry coconut milk powder, available on Amazon.com, has proven to be great for traveling. According to many reviewers, the dry coconut milk powder is great for travel because it is convenient, light, and easy to carry. Most travelers use it as a coconut coffee creamer for when they are on the go.

A recent review by Don Lucius says, "Got this for my daughter, she loves it. We travel quite a bit, and this way she can take it with her without having to carry a cooler with her coconut milk."

The powdered coconut milk is light and easy to carry, therefore making it a great convenience for travelers to use it as a milk substitute. Some of the benefits is that it does not need to be refrigerated, it has a long shelf life, and it is made of high quality ingredients with no preservatives added.

The dry coconut milk powder is also very easy to use. All that is needed is to add water to the dry coconut milk powder and it can now be used for cooking, baking or as milk substitute for coffee or smoothies.

"Our dry coconut milk powder is very versatile and can be used for so many different things. The convenient packaging makes the dry milk powder very easy to travel with, therefore we are not too surprised it is popular with travelers. It is very convenient, and tastes great!?" said Deidre, a company representative.

Grace Dry Coconut Milk Powder, when purchased on Amazon.com, comes with a bonus recipe ebook which is digitally delivered via email with recipes ranging from curries to smoothies. The dry coconut milk powder can be purchased in packs of 3, 6 or 12
