Pensacola, Fla.- Award Masters Inc. is a locally owned and operated trophy shop in Pensacola, FL. The owner, Eddie Hill, was recently recognized with the Certified Recognition Master (CRM) designation. This recognition is the highest level that can be received in the awards and personalization industry. Today only sixty-seven people around the world currently hold this certification from the Awards and Personalization Association.

In order to achieve this huge milestone, Mr. Hill had to take and complete over 170 hours of industry training along with writing a thesis related to the industry. The thesis was eventually published in ?Insights Magazine?, an international publication for electrical and systems contractors, which is published six times a year and reaches a subscriber base of more than 7,000. Mr. Hill worked hard to achieve this accomplishment and is proud to bring the certification home to the store at Award Masters Inc.

The Certified Recognition Master award was presented at the International Awards & Personalization
