Protiga Group in Pasadena, California, previously launched its Ace Salt And Pepper Mill onto the Amazon marketplace and has currently been collecting positive reviews. Sarah Dykes with Protiga Group says, "The company is pleased with how well-received the grinder has been. The customers are finding it very convenient way to grind spices."

The grinder is available on Amazon and can be seen at <http://amzn.to/2nZvsC5>. Sarah Dykes states that this product is made of premium stainless steel, it's shatterproof and anti rust. "This grinder is solidly constructed, the metallic chrome color and the sleek design makes it classy and is ideal as a gift to a friend, family or other loved ones."

Sarah Dykes states, "This grinder is small enough to fit in one hand yet large enough to hold adequate amounts of salt and pepper." The grinder is available in stores according to Protiga Group, and the company states that it works well for salt, pepper, or other ground spices.

Protiga Group designed the grinder with the size of 7.5 x 2.4 x 0.8 inches and it only weighs 0.26lbs. Reviews on the Amazon marketplace praise the grinder, saying that it is one of the best on the market for grinding spices. The product currently has a near five star rating on the marketplace, putting it in the spot as one of the most recommended products of its type on Amazon. More can be seen on the company's Amazon seller's page.
