

Student Movers Expands Across California

April 17, 2017

April 17, 2017 - PRESSADVANTAGE -

Orange County-based Student Movers provides top rated moving services across the State of California. The professionals have the knowledge and experience to complete every move efficiently and affordably.

The Student Movers is proud to announce that its services have been expanded throughout California, thanks to its partnership with well-known firms such as PODs, Budget, Penske and U- Haul. The experience and quality service of the movers makes each move effortless and cost-effective. They complete the move using well-educated, courteous and highly skilled movers. The care and attention of the movers has been the basis of many awards for excellent customer service.

Student movers is a part of the Pro-Mover Foundation of California. The company abides by all California State regulations regarding packing, moving, and storage. Services are available across California from Huntington Beach to Balboa Island. The expertise of the moving team makes the moving process easy and convenient. Everything related to the move, from scheduling to unpacking is handled efficiently and affordably. Customers can schedule the move using a simple online form. Customer service teams respond quickly to confirm a request made online.

According to a company representative, "You can schedule a time for the move which is most convenient for you. If necessary, we can store your household goods at economical prices. We can even schedule same-day service on a move if needed, although we prefer more notice for best results. We welcome small or large projects, and can provide all types of packing and moving services for commercial or residential projects. If disassembling and reassembling of items is required, we have the team skills to take care of the work."

Two levels of service are offered by Student Movers, Labor-Only Package and the Comprehensive Package. The latter package includes labor, transportation and necessary moving equipment. Insurance coverage is included in the costs. Coverage by the insurance policy takes care of possessions, as well as personnel. The moving team removes all the worry, stress and frustration which usually accompanies moving.
