April 20, 2017 - PRESSADVANTAGE -

Singapore based Training Room SG offers expanded training rooms in their facility. The location offers rental rooms for training, seminars or other gatherings.

Singapore: Training Room SG is pleased to announce that has increased the number of training rooms in the facility. The training rooms are suitable for educational venues, seminars and other gatherings. For trainers, business owners, entrepreneurs and sole proprietors, the budget training space is an affordable alternative to having dedicated space in their own facility for the purpose of training, particularly if there are only a few training events over a period of time.

Those looking for affordable seminar room rental rates in Singapore (<http://trainingroomsg.com/seminar-room-rental/>) will find the convenient location offered by TR SG to be an excellent solution to host seminars, training or any event. The available room space includes free Wifi and water dispenser usage for the comfort of participants. The large room contains about 510 square feet and the small room is comprised of 340 square feet. The space is flexible and will accommodate up to 65 persons in comfortable seating.

The training room (<http://trainingroomsg.com/classroom-rental-singapore/>) is located in Town at Singapore Shopping Centre and Clifford Centre, in the heart of Singapore. There is easy access to Dhoby Ghaut MRT Station and Raffles Place MRT Station.

A spokesperson for the company explains, "Organising a good seminar is more than just having a good trainer/speaker and the curriculum. Many other factors such as location, facilities like projectors and the condition of the seminar room contribute to the success of a seminar. Our seminar room will help to ensure the success of your seminar, training, business meeting, program or other special events."

He continues, "Our packages include features such as plenty of power supply ports, food and beverage outlets available and ample parking space. You can be assured of clean restrooms, projectors, screens, a

registration table, flip chart board and whiteboard with markers and duster. Your comfort is assured, thanks to split unit air-conditioners on top of a centralised conditioner.?
