July 23, 2020 -
With the current health challenges, Tripp Brothers Non-Slip Treatments, a leader in the floor safety industry, is adding enhanced safety services to its operation.

Aimed at curbing the coronavirus disease spread, the Best Floor Safety Professionals in Lowcountry, SC, is taking the proactive approach to better serve its clientele. Therefore, Tripp Brothers Non-Slip Treatments is adapting safety precautions on its operation. The company says that it is to ensure that their client's safety is not compromised at the expense of their work.

A series of safety protocols such as ensuring the use of face masks and protective gear will be the 'new normal' for its operation. The company likewise assures constant sanitization of its equipment and vehicle. The flooring safety professional says these changes at work is part of their commitment to the public during this pandemic. Tripp Brothers Non-Slip Treatments pledges to be at utmost service to its clientele in South Carolina and neighboring areas.

Tripp Brothers Non-Slip Treatments offers the Best Non-Slip Floor Treatment in Bluffton, SC. They only use a

long-lasting chemical that creates an invisible, sophisticated tread design into the surface of hard mineral floors and porcelain/enamel bathtubs. This anti-slip coating product is from the renowned brand, Sure Step. Sure Step is an anti-slip coating known to increase a surface's friction coefficient by 200-400%, even when wet. "This treatment will not change the appearance of the floor or bathtub," they add.

The company has been helping homeowners and businesses greatly reduce their chances of slipping. "For personal residences, we greatly help people reduce their chance of slipping in their home, bathtub, shower, garage, or patio. For businesses, we dramatically reduce the chances of accidents that often lead to lawsuits," stated the flooring expert.

Tripp Brothers Non-Slip Treatments has also helped businesses avoid serious lawsuits by reducing the chance of slipping in lobbies, kitchens, pool areas, and other open and potentially dangerous areas. Statistics show that companies spend on compensation and medical cost on employee slips & falls to approximately $70 billion yearly or an average of $20 million per employee. Apart from that, companies in the United States spend $30 billion annually on slip and fall injuries.

"Prevent your loved ones or your employees from suffering the same fate. Safety is a top priority, both in homes and businesses. Since slips and falls are considered the number one cause of accidents in the US, non-slip flooring is the answer," the company further adds.
