JB Home Supplies Provides Disinfecting Products Online

August 13, 2020

August 13, 2020 -
JB Home Supplies, an online shopping website based in Garfield, New Jersey, is pleased to announce that they offer a variety of household items for sale. In particular, they sell disinfectants, cleaning supplies, and COVID-19 personal protective equipment not only in the Northeastern United States but also throughout the entire country.

As noted on their website, JB Home Supplies is aware that the US has been severely hit by the COVID-19 pandemic. With more than 5 million positive cases and about 160 thousand deaths as of August 2020, many states have urged Americans to stay inside their homes. Due to the pandemic, the demand for face masks, wipes and other sanitizing equipment has also skyrocketed, and this scarcity of personal protective items has led the company to sell such products online in order for the public to get what they need. The company is selling products that are approved by the Food and Drug Administration (FDA), proven effective in killing the COVID-19 virus. In addition, their non-health related products are cleaned and packaged safely before delivery.

JB Home Supplies mainly sells disinfectants or chemicals meant to kill harmful viruses and bacteria. The

most popular ones include spray bottles like the Clorox 32 oz. disinfecting bio stain and odor remover spray (21.99 USD for 1 pack), which can be applied to floors, walls and even carpeting. In addition, customers may purchase a 32 oz. clean-up fresh scent cleaner, along with a bleach spray, from the same brand (14.99 USD for 1 set). These products can be applied to all surfaces, both inside and outside the house.

Another popular kind of disinfectant sold on this platform is aerosol, which is finer and more gaseous when compared to liquid sprays. For instance, the Lysol 19 oz. Neutra Air Sanitizing Spray Revitalizing Fresh Breeze (22.49 USD for 1 pack) not only protects humans and pets from illnesses but also emits a fragrant scent. Meanwhile, the Febreze Odor-Eliminating Air Freshener Spray, Linen & Sky (10.70 USD for 1 pack) can be used in kitchens, bathrooms and bedrooms.

JB Home Supplies? disinfecting products also include hand sanitizers. Premium Nature Hand Sanitizer 8 oz. (4.99 USD for one bottle) eliminates practically all germs and is light enough to carry on one?s person. On the other hand, PURELL Advanced Hand Sanitizer Gel 1 fl. oz. (5.50 USD for one bottle), dubbed as the No. 1 sanitizer brand, can be attached to bags for easy handling.

Isopropyl rubbing alcohol bottles and wipes are also available at JB Home Supplies. For instance, the Pharma-C Wipes 70% Isopropyl Alcohol Wipes (13.99 USD for 40 pieces) can be used to disinfect minor scrapes and cuts. Meanwhile, the Rubbing Alcohol with Wintergreen 50% 16oz (7.80 USD for one bottle) can be used not only for bruises but also for dirt on various surfaces.

Aside from disinfectants, there are KN95 Face Masks (30.00 USD for 10 pieces) available. They are reusable and capable of filtering both dust and air droplets. Surgical masks (14.99 USD per 50 pieces) made up of three layers of material are also being sold. In addition, USA Reusable and washable cloth face masks (4.99 USD per piece) are available for customers who want to tote the American flag while protecting themselves. Furthermore, those who want extra protection may buy the face shield visors (7.99 USD per piece), which also maintains visibility when in use.

Other products available from JB Home Supplies include beauty products such as soaps, shampoos and conditioners from Dove and Head & Shoulders. There are also child-friendly items, such as diapers from Pampers, coloring materials from Crayola and board games. Furthermore, there are pet supplies for cat & dog owners, office equipment for those working at home and even electronic appliances.

JB Home Supplies asserts that all of the items they sell are both effective and affordable. The company spokesperson says, ?We believe that every person should be protected against all viruses, bacteria and other germs out there. We provide top of the line, FDA-approved products and equipment so that you can stay safe wherever you are. When buying at JB Home Supplies, you know you can trust the product.?

Those who need disinfectants and other home supplies may visit JB Home Supplies? official website to get started. Customers can easily sign up for an account and begin making their purchases immediately. They can also track their order history and put items that they want on a wish list.

Last but not least, customers may connect with JB Home Supplies via social media to stay up to date with their news and announcements. The company is also pleased to share that their own mobile app will be launched soon for a smooth and hassle-free shopping experience.
