

Baby Foot Easy Pack Receiving Offers Limited Time Discount Following Glowing Reviews

June 16, 2015

June 16, 2015 - PRESSADVANTAGE -

Leo Louise, based in Hawthorne, California, has today released their affordable pedicure at home kit at a special discounted rate of just \$27, instead of the usual \$43. This is a saving of 37%. One of the reasons why they have offered this discount is as a way to say thank you for the many glowing reviews they have received. They also hope that the limited time only price will encourage more people to embark on the road of softer, younger feet.

"Some of the reviews we have received are so good that they exceeded even our own expectations", says Adrian Lew. "We always stood behind the quality of our product, naturally, but receiving this amount of glowing praise is a real confidence booster. As a way to say thanks, we are offering it at a discounted rate while stocks last."

The baby foot easy pack helps feet look, feel and even smell nicer. The treatment helps to reduce the appearance of fine lines, wrinkles and even foot odor in less than two weeks. The foot exfoliating mask is very easy to use and much more effective than foot scrapers or pumice stones. This is because scraping and filing only smooths and flattens dead skin at best. At worst, it actually damages new skin, thereby causing

problems like sore feet and even infections.

The product offers amazing value for money, not in the least because it means users no longer have to visit and pay for foot spas or a for a pedicure. Each package contains two pairs of foot masks that offer intense peeling on even the thickest callous on feet. The second pair can be shared with someone else, or the treatment can be repeated after a month. The results are truly amazing, which is what is highlighted in many of the reviews.

"Followed directions and in three days the metamorphosis began", says Cathy Martino. "Unbelievable results!!! My feet are now soft and smooth, even the girls at the salon where I get my pedis wanted to know what I did!!!! GREAT product!"

The product is designed like a flat sole plastic boot and is fully ergonomic. This means that the soak is really comfortable. Furthermore, it can be used by men and women alike, so long as their feet are between sizes 6 and 9. It currently also comes with a free pedicurist standard nail buffer that allows people to have beautiful and naturally shiny toenails. The buffer can also be used on fingernails for the same gorgeous shine. A free eBook is also include with each order that explains the four easy steps to make feet appear younger and more supple. It also comes with a full money back guarantee.
