Dental Concepts, a dentist clinic in Andover, Hampshire, with similar facilities in Whitchurch, and Sandbanks, is offering various dentistry treatments and solutions for tooth ailments such as teeth whitening, porcelain veneers, white fillings, gum contouring, teeth reshaping, smile makeovers, children?s dentistry, dental hygiene, bad breath, gum disease, decay detection, mouth cancer, dental implants, mini implants, Ankylos implanting, broken teeth, crowns, bridges, dentures, CEREC-1 visit restoration, extractions, oral surgery, root canal treatment, Invisalign clear braces, incognito hidden lingual braces, botox botulinum toxin, Restylane dermal fillers, Sculptra facial lines, Juvederm, sedation, dental phobia, and wand painless injections. Interested clients can read more about their offerings at http://dental-concepts.com/.

The clinic claims they offer facilities that make them a cut above the other dental clinics in the area such as a caring team of professionals, a highly trained support team, treatment coordinators for patient assessments, four state-of-the-art treatment areas, all facilities under the same roof, a large car park, disabled access facilities for patients, NHS and private dental treatment for all registered patients, flexible opening timings in the week with late evening and early morning appointments, special emphasis on anxiety relief with tools like

the Magic Wand Local anesthetic and sedation, the latest technology for treatments such as CT scans, lasers, microscope and more, strict adherence to the best practice standards as per the Department of Health guidelines for infection control and cleanliness (CQC (Care Quality Commission) Compliant), and regularly scheduled children oral hygiene activities and preventive health camps. They talk about their teeth whitening treatment being offered in their Andover facility in the following press release: https://www.pressadvantage.com/story/37368-andover-dentist-teeth-whitening-treatment-for-private-hampshire-patients-launched.

Their clinic in Whitchurch is also a Specialist Oral Surgery practice commissioned by NHS England to provide Oral Surgery services for patients in Hampshire. They have one resident Specialist Oral Surgeon plus her team of experienced dental surgeons who together provide this NHS service, every weekday from 9 AM to 5 PM. The service is free to all NHS patients, who must be referred by their dentist. Extended hours and self-referral options are available for private patients.

The clinic offers virtual consultations to clients who can?t travel to the clinic in person. This involves uploading a few photos of the client's smile. The dental report is then provided without the client having to leave their home. The clinic also offers patients 0% APR low-cost loan facilities for dental treatment such as dental implants, Invisalign, and other cosmetic dentistry treatments.

The clinic has over 1000 positive reviews from web portals such as Google, Facebook, and the NHS. They even have video testimonials from patients who talk about their experience with the clinic.

The Ratukalou family said in their google review, ?Great! Wonderful Reception! Came to us at the car park - took details and called us as it was my time. Great Dentist - Very Fast and No Pain. Great Atmosphere. Would recommend Definitely.?

Eyad A. said about the service on Facebook, ?would like to thank the wonderful and amazing Dr. Aditee for the root canal treatment that I've received at Dental Concepts. My teeth look perfect now! and no pain anymore. Thank you so much, Doctor Aditee. And thanks for Doctor Manish. They have a remarkably friendly team. I very much recommend Dental Concept Clinic. The best clinic I have been to so far. 5 out of 5 My best regards.?

Margaret T. said in her Facebook review, ?So helpful and such a good result! Was told beforehand and it all sounded good and it was. Broke a front tooth in a fall, and it now looks great, and without pain!?

The dental surgery's website features a smile gallery that contains pictures of real people before and after their procedures. Clients who sign up for the practice newsletter can stay up to date on offers from the clinic. There is also a contact form on their website for patients to book an appointment with them. Driving directions to their facility can be looked at on Google maps following this link: http://g.page/dentalconceptsandover.
