

Monarch Trophy & Awards Develops New Line Of Houston Plaques

July 14, 2017

July 14, 2017 - PRESSADVANTAGE -

Monarch Trophy & Awards, an award business in Houston, TX, is proud to announce that they have launched a new line of plaques for Houston residents and businesses. Two new plaques, the 12 Plate "Routed" Perpetual Plaque and the 12 Plate Perpetual Plaque, are now available. Both plaques have the same exceptional quality standards that the awards and plaques provider has become famous for.

A representative from Monarch Trophy & Awards says: "We are always looking for new products to add to our lineup so that people can have the kinds of trophies, awards, or plaques that they are looking for. We love our two new plaques and we encourage anyone to check them out."

The 12 Plated Perpetual Plaque is a classic design, coming in a walnut tone and a gold-tone metal head plate. It can feature 12 individual plates and is therefore the perfect option for an employee of the month list. Meanwhile, the 12 Plate "Routed" Perpetual Plaque has a more luxurious feel with its hand-rubbed walnut-tone finish. This plaque has 12 routed sections and polished engraving plates. It is perfect for any type of setting and it is quickly becoming one of the more popular yearly Houston awards.

Monarch Trophy & Awards is known for providing fantastic customer service, speedy turnaround time, and high quality products. Catherine M., for instance, says on the company's Facebook page: "Affordable and very fast turn around. Unique styles and one on one customer service.... I couldn't ask for more. I will always order from Monarch Trophy & Award moving forward."

After the release of the new Houston plaques, the company plans to add more trophies and awards to their collection. Their goal is to always have the most appropriate and in demand products available, and they certainly have one of the largest collections in Houston to date. Their website, meanwhile, has been designed in such a way that it is very easy for people to find exactly what they want, whether they are looking for a specific type of award, a specific type of material, or anything else. The representative of the company adds: "Please do look through our selection and you are guaranteed to find what you are looking for."
