Grace Roofing And Construction LLC In Offering Roofing Services In Winston Salem And Other Parts Of The Piedmont Triad

January 13, 2021

January 13, 2021 -
Grace Roofing and Construction LLC, a North Carolina based roofing company, is offering its services to the whole of the NC Piedmont Triad area which includes Greensboro, Winston Salem, and High Point.

The Winston Salem roofing company offers roofing services 24 hours a day, 7 days a week, all year round. This makes them perfect for the unforeseen last-minute repairs that can come calling at any time. The company says that it understands how hard it can be to accommodate surprise repairs in the home?s budget, especially when the repairs needed are an emergency. This is why the company doesn?t charge extra for after-hours emergency calls or for calls on the weekend. The company says it has set its policy from years of experience and a deep understanding of what its customers want.

The company is also fully insured and has been awarded an A+ rating with the BBB(Better Business Bureau) for the last 12 years. The rating is a prestigious accomplishment as it is awarded to very few businesses. Being fully insured, by both general liability insurance and workers compensation, the company?s employees and those on the customer?s property are fully taken care of. The company says that in some residential areas insurance is mandatory to be hired as a roofing contractor. The company says that they have insured themselves to avoid any nasty surprises for the customer in case of an accident. The company appeals to homeowners to check whether the contractor they are hiring, has insurance or not. In case the contractor is uninsured, the company says that the customer can call Grace Roofing and Construction at any time of the day, any day, all year round to avail of its services.

The owner and spokesperson for the Winston Salem roofing company, Richard Sakowski, says, ?With every job, we do our goal is to provide a quality product at a reasonable cost and above all else provide a superior customer service experience that is second to none. We believe success in our industry, and in our

community, comes down to commitment. We are committed to our clients, and we show this through exceptional workmanship, attention to detail, and total service coverage that put us amongst the best roofing contractor serving Winston-Salem.?

The company says that they can take on any job, big or small, from a small roof leak to, an entire shingle roof. They say they can also help with any flat roof, metal roofing, wood shake roofs, slate roofing, and tile roofs. The company also provides gutters installations and siding replacements. The company says they use roofing materials from CertainTeed, Owens Corning, and Central States Metal Manufacturers on every job to ensure the materials being used are of the highest quality.

The company appeals to homeowners to regularly get their roofs inspected by experts for leaks and damage. Roofs can leak due to a variety of issues that are outside the homeowner?s control. They can be anything from missing or damaged shingles, clogged gutters, broken flashing, attic condensation, vent boots, holes, brick chimneys, complex roof architecture, skylights, and aging roofs. The company says that its expert technicians have seen it all and done it all to exactly pinpoint the cause in all cases with a thorough inspection. Since roof repairs are one of the simplest ways to maintain a roof and get the most out of it in the long-term, Grace Roofing And Construction offers roof repair solutions to ensure the roof stays strong and sturdy for the home?s lifetime. They also offer emergency roof repairs and storm damage assessments in the event of wind or hail damage to the roof.

The company can be contacted at (336) 485-4973 to reach its Tobaccoville location, (336) 705-4370 to reach its High Point location, and (336) 537-5441 to reach its Winston Salem location. There is also a contact form on its website which can be used by customers to receive a free estimate for their roof repair problem. The company says it is the best option for those searching online for ?Commercial Roofing Winston Salem?.
