

The ProMedia Group Launches Polycom RealPresence Centro

August 22, 2017

Tampa, Florida - August 22, 2017 - PRESSADVANTAGE -

The ProMedia Group, renowned single source provider of high definition video conferencing, audiovisual, and networking products is back at again with Polycom RealPresence Centro, which is the company?s latest offering.

The ProMedia Group is a big name player in the audio visual niche of Florida. The company?s network extends all the way from Tampa, Florida to Atlanta, Georgia. As per the team behind ProMedia Group, it was about time to reevaluate the thinking. The conference room experience has remained stagnant for eons. And this is why the new Polycom Centro has been introduced in order to change the game.

According to the company spokesperson, Ken Avis: ?People can now experience an interactive demonstration as if they were in the room and see with their own eyes how Polycom is changing the way people collaborate and become more productive with its latest innovation in video collaboration technology, Polycom RealPresence Centro.? The product has been designed to give everyone equality of contribution regardless of where they are located.

Polycom is designed for work groups, classrooms and teams that want more engaged collaboration. This is why Polycom RealPresence Centro embraces natural human instincts and advanced technology to draw people together into a powerful, collaborative space, giving everyone equality of contribution regardless of where they are located.
