Jack Lombardi to Challenge Adam Kinzinger for 16th District Congressional Seat

February 22, 2021

February 22, 2021 -
Republican entrepreneur and businessman, Jack Lombardi, has announced his candidacy for the 16th Illinois Congressional seat in the U.S. Congress. That seat is currently held by Republican, Adam Kinzinger. The election will take place in 2022.

Lombardi believes that Kinzinger?s positions on numerous subjects no longer represent the views of the majority of voters in the 16th Congressional District or the Republican Party. In January 2021, Kinzinger voted to impeach President Donald Trump. Representative Kinzinger later encouraged members of the U.S. Senate to vote to convict the former President. Lombardi finds Kinzinger?s actions to be unacceptable and inconsistent with the wishes of the voters of the 16th District. Thus, Lombardi chose to oppose Kinzinger in the 2022 congressional race.

Candidate Lombardi is a strong supporter of both the First Amendment and the Second Amendment. He is pro-life. He is in favor of smaller government, lower taxes, and policies which support and strengthen small businesses. Lombardi has repeatedly voiced his support for members of law enforcement, first responders, and the military.

Mr. Lombardi is the CEO and founder of one of the Chicago area?s premiere digital marketing companies and he runs multiple other internet companies. Therefore, he is greatly opposed to the recent attempts to censor and silence conservative voices on the internet and social media. Lombardi states that he would fight hard to preserve everyone?s right to free speech.

Lombardi has launched a strong grassroots campaign as he seeks to oust Kinzinger. He has seen an incredible increase in his number of followers on social media in recent weeks.

He is married to Sharon Lombardi, and has a son and a daughter. Lombardi is a self-professed Christian, a

business owner, and a long-time practitioner of martial arts.

In addition to his campaign website, Facebook and Twitter accounts, more information regarding the Lombardi campaign is now starting to appear on the well-known political website, Ballotpedia. https://ballotpedia.org/Jack_Lombardi
