

Wichita Roofing Company Crown Roofing and Solar Company of Wichita Opens New Office

February 23, 2021

February 23, 2021 -
Local roofing company in Wichita, Crown Roofing & Solar Company of Wichita, has announced the recently opening of their new office in Wichita, Kansas. The decision to open the new office in a centralized area in downtown Wichita was made so the company could better service Wichita homeowners & building owners, according to company representative Justin Brown.

"With the active annual storm seasons that we receive in Wichita, we wanted to have a central location so that we could best service homeowners to be able to provide immediate response times following hail, wind or other violent thunderstorms that come in town," said company representative, Justin Brown.

More information about Crown Roofing and Solar Company of Wichita can be found on the company's website here: https://www.crownroofingwichita.com/

Crown Roofing and Solar Company of Wichita also recently opened a new solar division to the company. The

company sentiment was that as a local roofing company, and active member of the Wichita community, they felt it was important to do their part as citizens to help protect the Earth that we all share, and their solar division was to that aim, according to company representative Justin Brown.

"Our solar division not only helps homeowners save money on their electric bills, but also to conserve energy usage by using alternative energy sources from the sun. We are proud we are able to help Wichita homeowners save the earth while also saving money," said company representative, Justin Brown.

Crown Roofing and Solar Company of Wichita was founded in 2020 and appears to have solidified itself as a trusted roofing company in the Wichita area. A glance at their online reviews demonstrate how happy customers are with the work the company is putting out. Some of the roofing company's Google reviews are two and three paragraphs long. All nineteen of the reviews are rated five stars as well. Fiver stars is the highest rating a person and give to a company on Google reviews.

Company representative, Justin Brown, had this to say. "Customers choose us because of our premium reputation with many 5-star reviews, our industry-best warranties, and of course, since we are local. With our roots initially from Wichita, we are a homegrown roofing company that cares about our community. While other roofing companies may already be out of town and into another city by the time the dust settles and there is another storm, Crown Roofing will still be here to service our community and neighbors."

Those interested in a roof inspection or consultation should contact Crown Roofing and Solar Company of Wichita's customer service department by calling (316) 320-2239. Contact can also be made by visiting the company website and completing the online contact request form.
