Louisville, Kentucky ? A leading awards shop in Louisville, KY, is beginning to prepare it?s staff and products for all of the school sports that are to come with the school year.

As the 2017-2018 school year begins, many school sports begin along with it. Football, golf, soccer, cross country, and volleyball are some of the bigger sports for them to prepare for in the fall alone. Every one of these sports will be looking to score not only points in their respective game, but also looking to score some trophies in Louisville, KY.

?These kids are always working hard to be the best at what they love to do,? said Jason Malone, owner of Awards Center in Louisville. ?We enjoy being a part of the reward of all that hard work paying off. The joy on their faces when they win the big game and bring home the trophy is what it?s all about.?

Many of the fall sports mentioned are already well underway, and even approaching an end. Awards Center is well aware of this and is completely prepared to craft some of the best soccer trophies in Louisville, as well as any other sport.

?Not only do we do sports trophies, we also do things such as engraving, corporate awards, and even name badges,? said Malone. ?So we are very experienced with what we do here.?
