

Elk Grove Tree Service Company Release Summer Tree Care Tips Video

June 09, 2021

Elk Grove, California - June 09, 2021 -
A leading tree service company in Elk Grove, CA, Elk Grove Tree Service Experts, has release a video providing tips for tree care just in time for summer. The video release is part of the company's on going efforts to continue to support the Elk Grove tree owner community with useful information to help maintain healthy tree growth throughout the year. This video focuses on tree care during the hot summer months. As mentioned in the video, "While we can shelter indoors to keep cool, we can't do the same for our trees."

The full video can be viewed at this link: https://www.youtube.com/watch?v=VQ7nP10CUeU

Elk Grove Tree Service Experts is a family-owned tree service with over 25-years of experience caring for the natural landscape of communities in Elk Grove, Amador, San Joaquin, Tuolumne Counties. The company's goal is to provide exceptional tree service to all residential and commercial clients looking to maintain or improve the natural surroundings of their homes and businesses.

Company representative, Gerald Gelespie, stated, "We are ISA certified and the arborists who work with us have already received certification from the ISA. Apart from the certification, our arborists have years of experience handling disease and pest-related issues in Elk Grove. Clients can trust them to come up with a viable solution for whatever issues they may be experience with their trees."

ISA (International Society Of Arboriculture) is a worldwide organization that serves the tree care industry as a membership association and a credentialing organization that promotes the professional practice of arboriculture. As a prerequisite, all arborist seeking entrance into their certification program must first have a minimum of three years experience.

Elk Grove Tree Service Experts is accepting new clients and is offering discounted services. The company's discounted services include tree removal, tree trimming, tree pruning, and arborist services. Those interested in a consultation can visit the company website or call customer service at 916-579-7241.
