July 22, 2021 -

Woodinville, WA ? This year?s ?Celebrate Woodinville? summer 5k race will be sponsored by Northwest Trophy and Awards, Inc. This race not only acts as a celebration of Woodinville, but it is also a fundraiser for Removing Barriers within the Northshore Schools Foundation. The local Woodinville awards store is excited about the event and is proud to be a part of it.

This year, the 5k event will take place over the course of 11 days, from Aug. 21 to Aug. 31. Unlike traditional races, the participants of this race will not compete all together at the same time. The runners will run on their own time at some point during the 11 days. They will track their miles and time and log them into the event?s website.

Though this 5k race has the unconventional structure of remote racing, there will still be several in-person attractions during the 11 days of the event. At Woodin Creek Village, there will be live music, courtesy of

PACE. Abigail Neilson will be performing on Aug. 11, Dune Butler on Aug. 13, Kimo Muraki on Aug. 18, and Michael Trew on Aug. 20.

Northwest Trophy and Awards, Inc. is eagerly awaiting the event and the fun, relaxing time it will bring to the community. More importantly, they are excited to see how the fundraiser will benefit the Northshore Schools Foundation.
