Dispensary in Oklahoma City Announces New Loyalty Program to Reward Customers

August 10, 2021

August 10, 2021 -
Green Sunshine Medical Weed Dispensary, a company based in Oklahoma City, OK, has announced a new loyalty program to reward clients for their loyalty, allowing them to buy new items at discounted prices through the points that they earn. Every purchase provides the client with a certain number of points and clients may use their number of points to get a discount. For instance, 100 points entitles them to a $10 discount, while 1000 points provides them with a $200 discount. The dispensary has a broad range of products, such as flowers, prerolls, vaporizers, concentrates, edibles, topical products, cannabidiol (CBD) products, and various accessories.

A spokesperson for the medical marijuana dispensary says, ?We repay our frequent shoppers with discounts and quality products in our store, while they accumulate points. If you would like to join our program, just ask our staff in-store about joining our Green Sunshine loyalty program.?

They want their customers to know that they are always focused on providing them with an enjoyable experience while shopping for marijuana products. Their staff are ready to answer inquiries from all customers with regards to a particular product. Such a customer service philosophy has allowed them to become popular among their customers.

For those who prefer products that are as close to the natural state of the marijuana plant as possible, they may opt for the flower products. One example is the Platinum Glue strain, which is a very potent indica dominant cross between Gorilla Glue #4 and Platinum Kush. It has a THC level of 19.4 percent and it has a fruity, earthy, and sweet flavors. This particular strain was bred in Colorado, and the inclusion of the Platinum Kush line results in a deeper body high. It is a 65 percent indica dominant strain, which means that it is recommended for evening use. Its THC level is 32.89 percent, providing it with sedative characteristics. It has been observed that it may decrease stress, relieve pain, help with insomnia, restore appetite, and relieve cramps.

Another example is the Lilac OG strain, which has 19.5 percent THC and comes from 70 percent indica and 30 percent sativa. It is the result of crossing Lilac Diesel BX3 and Triangle Kush strains. It has calming effects that have been found to relieve aches and pains quickly. The high begins with a slow build of effects, followed by a relaxing body high, leaving the user physically sedated before finally falling asleep. Its THC level ranges from 16 to 18 percent and it has flowery, lavender, diesel, fruity, and sweet flavors. Its aromas are earthy, diesel, fruity, flowery, sweet, and spicy. It may help with headaches or migraines, chronic stress, chronic pain, insomnia, and glaucoma or eye pressure.

Also available are edibles, such as the Blaster - Big Bang Berry - 100mg; Blaster - Pink Lunar Lemonade - 100g; Blue Raspberry 100MG Fruit Chews; Blue Raspberry Retrograde 100MG Gummies; Cherry Cola 25MG Gummy; Cherry Limeade Mints; Classic Soda - Orange Kush 100mg; Classic Soda - Purple Passion; Classic Soda Blue Razz - 100mg; and Classic Soda- Bubba Kush Root Beer.

Previous customers who have tried their products have mostly positive things to say about the dispensary. They have an overall rating of 4.9 stars out of 5 stars, which means that most of the customer reviews are five-star reviews. For instance, Finley B. gave them a five-star rating and said, ?I absolutely love this dispensary. This company is fast and offers a good rewards program. There is an excellent system in place to work with the state's marijuana regulations and Covid restrictions. This is a place you should visit. Each person knows pretty much what to expect in terms of the products. The prices aren't bad, either. They help you find out which products are on sale and what good deals there are. Green Sunshine Medical Weed Dispensary is the place to go. It's really amazing.?
