June 15, 2015 - PRESSADVANTAGE -

In response to growing brand awareness, Dojo Pro has a new website giving visitors access to special deals and important product information.

In April this year Dojo Pro announced the launch of their new martial arts uniform designed for children participating in Brazilian Jiu-Jitsu. Since the release of this high quality gi Dojo Pro has received many enquiries and sales are going strong. Consumers are appreciating the attention to detail when it comes to the design and functionality of this uniform, making it stand out from other brands. In response to increasing interest in the product, Dojo Pro is launching a new website: dojo-pro.com. This exclusive site is set to provide lots of resources for people interested in Brazilian Jiu-Jitsu, plus plenty of special limited-time offers.

CEO and founder of Dojo Pro, Mr. Kraiger explains what people can expect from the new website: "Ultimately we want our new website to be a source of quality information about Brazilian Jiu-Jitsu. Not only do we hope that this will encourage others to try out this amazing martial art, but also assist in guiding and mentoring people already participating in Jiu-Jitsu. There will also be plenty of opportunities to access exclusive deals on Dojo Pro products; which we think visitors will appreciate."

Dojo Pro's website is already up and running, and although it's only early days, they are receiving many new enquiries. Currently Dojo Pro specializes in Brazilian Jiu-Jitsu uniforms for children, although the company plans to expand this range and also cater for adults.

Mr. Kraiger hinted that there would be a special announcement in coming weeks about their gi range: "We will be making a few changes to our product range over the Summer months, so we encourage everyone to keep a close eye on our website, and our Amazon listings, during the next few weeks."

Anyone interested in learning more about Dojo Pro and their Brazilian Jiu-Jitsu gi's can visit their website or Amazon.com where these uniforms currently feature. There are several sizes and colors to select from, appealing to both boys and girls.
