

Local Business Titan Sunrooms in Pensacola FL Announces New 'Blockhouse' Shed Series

January 12, 2018

January 12, 2018 - PRESSADVANTAGE -

Titan Sunrooms, a leading provider of Sunrooms in Pensacola FL, is proud to announce a new shed series now available. The 'Blockhouse' shed series can be built in as little as 3 hours which eliminates the need for materials to be shipped by trailer. This series is unlike typical sheds, aligning with owner of Titan Sunrooms Fred Genkin's mission to manufacture, install and supply a growing dealer base around the country with the most advanced custom materials on the market, including screen rooms, in Pensacola FL.

'All of our projects start with the most innovative building materials available on the market today,' says Fred Genkin.

Sheds of the Blockhouse series are custom built and very importantly, they meet HOA compliance. These sheds can be heated and cooled which makes them climate controllable. They can be used as an add on space or anything from a home office to storing expensive items like furniture or artwork. The sheds also have a hurricane resistance structural design ? which is very important for Sunroom construction in Pensacola FL area.

?The choices in building materials that you make now will have lasting consequences far into the future as your project ages over time and must weather the relentless beating of Mother Nature,? Fred Genkin advises.
