Okeechobee, Florida - August 26, 2021 - PRESSADVANTAGE -
Ultimate Flags Inc., a company based in Okeechobee, Florida, is pleased and grateful to acknowledge the many positive reviews they have received recently on the Better Business Bureau (BBB) platform. The company is America?s oldest online flag store, and it was started in order to help people celebrate the virtues, history and ideas that they cherish and wholeheartedly believe in. The company founder is also a direct descendant of Paul Revere.

A vast majority of the Ultimate Flags Reviews on BBB hold a 5-Star rating. A recent review states that, ?I was looking for a certain flag that was really hard to find, so I googled it and this website had it. I was glad to see that they sold it. When I was setting up my account, I had some issues with my password setup, so I called their number, and the person on the phone was really helpful in setting up my password. I ordered my flag, and a tracking number was provided, which was great because some companies don't do that. When I received my flag, I liked it. They were even nice enough to provide some cool items like a sticker, a pamphlet, instructions on caring for my flag and a coupon for $5 off my next purchase. Overall, I was satisfied, and I recommend this website for anyone who wants a cool flag.? The company?s dedication to customer service is highlighted in this review, as is the company?s commitment to providing a wide range of flags.

Yet another 5-Star review states that, ?I recently found this American-owned and family-operated business and have placed three orders in the past couple of weeks. The flags and hats I ordered were of high quality, and the orders were processed, shipped and received in days. As good as the products were, I was even more impressed with their customer service. I called with a question, and it was answered immediately. I can't wait to share this unique business with family, friends and coworkers.? The quality of the flags as well the company?s dedication to efficient service is highlighted in this customer?s comments.

In response to the many positive reviews, company owner Jonica Hough states that, ?We take great pride in the high ratings that we often receive from our community. It?s a huge compliment for how hard we work to satisfy our customers, and it spurs us on to continue to do our jobs to the very best of our abilities. Our company also is proud of the fact that we offer a simple means for people to display their patriotism and other beliefs or subjects that are very close to our customer's hearts. After all, freedom of expression was thought

to be so important by our forefathers that they wrote it into the very first amendment of the constitution.?

Ultimate Flags Inc. is known for going the extra mile for their customers. The company also makes an effort to give back to their community, particularly the veteran community, and it is a well known fact that their profits support these causes.
