The Law Offices of Jerry J Trevino, based in Corpus Christi, TX, has recently retrained its entire legal team in order for them to be fully up to date with the latest changes in the laws pertaining to personal injury. The firm focuses on a number of specific areas of personal injury. These include auto accident, wrongful death, and work injuries. However, they are happy to take on any kind of personal injury case that someone may have been involved in.

Jerry Trevino himself says: "It is so important that you have a committed, experienced, and knowledgeable personal injury lawyer on your case should you have suffered an injury. New laws happen all the time in this legal arena and you need to know your rights. This is why we have ensured our entire legal team is fully up to date with all relevant changes, thereby ensuring we can give you the best possible representation."

The Law Offices of Jerry J Trevino serves clients throughout Texas, but also beyond. To achieve this, the team also had to complete training on how the laws differ between states, thereby ensuring that they can always provide people with the best legal advice. As a Corpus Christi truck accident lawyer, for instance, Trevino regularly has to work with parties who are from out of state, having been trucking through Texas for

their work.

Those who have used Jerry Trevino's services in the past have been incredibly happy with the care and attention they have received. Joel A., for instance, says on the law firm's Facebook page: "I am very satisfied with the services provided by Mr. Trevino who is a brilliant attorney and his beautiful staff who are have been my angels. Thank you all for making me believe in the legal system and thank you for your wonderful efforts to take care of your clients in need. You are angels in my eyes and the lord will bless you for your actions and for your dedication to help others."

Jerry J Trevino is quickly setting himself apart as the best personal injury lawyer Corpus Christi has to offer.
