Indianapolis, IN-based home improvement contractor, JD Hostetter & Associates, is a company that has worked hard in several areas of its business to become one of the most requested roofing, painting, and siding professionals in their area. Along the way, they have also accumulated an impressive list of awards and credentials. The company is proud to announce its awards list has just gotten a little bigger after it was named a Qualified Remodeler's Top 500 contractor for the 2021 calendar year. JD Hostetter & Associates made an appearance on the list at #351 which is a noteworthy ranking for a company that is appearing on the list for the first time. That?s a number that will firmly place them among the most respected home improvement contractors in the entire country. More about this most recent award the company has received can be read about on its website at https://jdhostetter.com/.

Qualified Remodeler is a leading publication that has served remodelers and home improvement companies in the US for many years now and this is the 43rd year that they have published a Top 500 Contractors List. It?s a list whose recognized members combined to generate $13 billion in remodeling sales volume on over 1.1 million home improvement projects. Critical company traits that are considered when populating the list include a company?s remodeling sales dollar volume, the total number of years in business, industry associations & memberships, industry certifications, industry awards, and community service. ?Based on Qualified Remodeler?s analysis, firms that are ranked on the 2021 TOP 500 are experiencing a boom in business. Firms that have made the list multiple years tend to share common attributes - strong revenues, a commitment to customer service, as well as leading sales and marketing programs,? said Patrick O?Toole, co-owner and publisher of Qualified Remodeler. ?These attributes helped put the firms on this list and contribute to their ongoing success in remodeling and home improvement.?

The company owner, Tom Pantzer, says, ?We are proud of every type of recognition that our home improvement business has received over the years but being named a Qualified Remodeler's Top 500 contractor for the year 2021 is extra special. That?s because it signals that we have established a reputation

for doing business that is on par with the best home improvement contractors in the entire country. This is a recognition that is shared at all levels of the company because it would not be possible to achieve without the many skilled and dedicated employees that I am privileged to have working alongside me.?

Pantzer mentioned that some of the other awards they have received and elite credentials they have obtained include being a James Hardie 2019 President?s Club Award Winner, Guildmaster Award Winner, Angie?s List 2020 Award Winner, a Better Business Bureau best A+ rated company, James Hardie Elite Preferred Contractor, a Malarkey Emerald Pro Contractor, and more. Everyone was receptive to my questions and any concerns were addressed immediately. It isn't easy finding trustworthy partners but I'm happy to say we have found one with JD Hostetter. We will, without reservation, work with them anytime we need similar services. Thank you, Tom, Tony, Wendy, and the entire crew that made our house look like new.?
