February 21, 2018

February 21, 2018 - PRESSADVANTAGE -

Silver Spoons, a newly founded not for profit organization in Honolulu, HI, by the real estate agency The Ihara Team, has announced that they are currently recruiting new volunteers. The organization was founded by Dan & Julie Ihara, who already serve the senior community through The Ihara Team and The Complete Solutions (TM). They founded Silver Spoons to serve Hawaii's Kupuna in need. Full details about the nonprofit organization, its mission and vision can be obtained through their website at <https://silverspoons.org>.

Steven Arakawa, Executive Director of Silver Spoons, says: "There are many different ways in which you can help. You can share your talents or invest your financial resources, but you can also give the gift of time. We are currently looking for more people to join our team and make a real difference in the lives of elderly people."

Silver Spoons provides expertise and information in senior living options, whether the goal is to age in place or to move to a more suitable environment. Volunteers at Silver Spoons are expected to be compassionate and to have truly generous hearts, because they will offer the same services as The Ihara Team & The

Complete Solutions (TM), for those seniors who do not have the financial means to create and be in an environment that is safe and suitable for the senior life journey of Hawaii's Kupuna. More information can be found at <https://www.youcaring.com/hawaiiskupuna-904337>.

"Perhaps you know someone living in an unsuitable & unsafe environment," says Steven Arakawa. "Or auntie is living in isolation and with memory loss. We can provide help to your neighbor who is without family and lives in fear of the future."

Silver Spoons will be able to build on all the knowledge and experience of The Ihara Team, to assist seniors in determining which living options are best for them. Meanwhile, they can also rely on the expertise of The Complete Solution, helping senior citizens to declutter and adjust properties and, if needed, to move through downsizing. Silver Spoons aims to give back to the community through compassion and empathy.

The nonprofit has also launched a fundraiser for the cause. Tickets are available through <https://www.eventbrite.com/e/silver-spoons-launch-fundraiser-tickets-37767503620>. New volunteers are encouraged to share this information widely.
