February 19, 2018 - PRESSADVANTAGE -

The Ihara Team - Keller Williams Honolulu, HI, have recently announced that they will be hosting a free wealth building seminar. They have now made a secondary announcement to inform people that tickets are being taken up very quickly, and that very few spaces remain. Those who are still hoping to attend are encouraged to book their places at <https://www.eventbrite.com/e/free-building-wealth-through-real-estate-seminar-tickets-43038670823> as soon as possible.

Event organizer and co-founder and owner of the Ihara Team, Julie Ihara, says: "This event is set to be incredibly popular and we urge you to book your place sooner rather than later. The event is for free but spaces are limited as we want to make everybody to have a chance to hear clearly what is being said. So do hurry if you're hoping to come."

The Ihara Team, a real estate agency, has also started The Complete Solution (TM), which is an effort to help people build wealth in a variety of different ways. More details about the different solutions being offered through this are available on the website at <http://www.hawaiiitcs.com/>. Of particular reference to this upcoming seminar is their work on the 1031 exchange, and also on buying and flipping properties.

Julie Ihara adds: "We provide seminars on how to buy and flip properties in today's market and make money. We show real life examples and real numbers that illustrate how profits are made. This is not one of those "As seen on TV" real estate get rich schemes. We share proven strategies and knowledge to help our clients build wealth and provide beautiful homes for their families. We also share how the wealthy have built their empire by buying and holding real estate as well as an introductory 1031 Exchange lesson."

The event will take place on Tuesday, March 20, 2018 from 6:00pm until 7:30pm HST at Servco Honolulu, 2850 Pukoloa Street, Honolulu, HI 96819. The Ihara Team has set itself apart as one the best real estate agencies on the islands. They have also partnered with other agencies on Maui to better serve the communities there. Their overall vision and mission are highlighted on their website at
