

DFW Premium Roofing Upgrades Commercial and Residential Roofing Website

March 03, 2018

March 03, 2018 - PRESSADVANTAGE -

DFW Premium Roofing, a residential and commercial roofing company with offices in North Richland Hills and Plano, Texas, announced today the continued expansion of its website. This modification was prompted by growth and expansion of services, as well as input from valued customers.

Visitors to the new site will encounter an improved user experience, making it easier than ever to navigate the site or request a free roof inspection. People will also obtain quick and easy access to essential information that offers an even more comprehensive understanding of the company's roofing services.

To easily share valuable information with customers and prospects, DFW Premium Roofing created a blog section on the website which addresses common roof repair and replacement concerns by homeowners and property managers.

The new website will be updated on a regular basis with vital information on roofing concerns and tips on how

to protect the roof from costly damage. Visitors are encouraged to explore the website, read the blog and call for a free roof inspection.

In business since 2006, DFW Premium Roofing takes pride in providing the best customer service experience, following standards of excellence, and offering unparalleled workmanship that exceeds expectations by their customer base.

Areas serviced by DFW Premium Roofing include Dallas, Plano, Frisco, McKinney, Allen, North Richland Hills, Little Elm, Lake Dallas, Prosper, Rowlett, Murphy, Richardson, Carrollton, Addison, Lewisville, Argyle, Arlington, Fort Worth, Grapevine, Trophy Club, Bedford and the surrounding areas.

DFW Premium Roofing has an A+ rating with the Better Business Bureau (BBB) and is certified by multiple roofing institutes and providers, including The Roofing Institute, ABC Supply Co. Inc., Select ShingleMaster, Crown Roof Tiles, Smith Contractor, Malarkey Roofing Products and more.
