Charlottesville, VA - July 11, 2018 - PRESSADVANTAGE -

Charlottesville, Virginia painting contractor Piedmont Paint & Finish is proud to announce that they have received a new five star review from a happy customer for the service provided by Piedmont Power Washing of Charlottesville. As they often do, they have shown their appreciation for the review by turning it into a showcase video. The video, which is viewable on YouTube at <https://www.youtube.com/watch?v=XIBMAUCIthE>, went live on July 6, 2018.

In the review, the customer expresses their satisfaction for the power washing service they received in Charlottesville, VA. They wanted to tell others about their experience. In the review, Bruce W. says: "Great job. Excellent work at reasonable price. This will keep the homeowners association (not to mention the elements) at bay for many years. Thanks guys."

As Bruce W. noted, Piedmont Paint & Finish is fully committed to delivering work to the highest possible standards, thereby in this case ensuring even the homeowners association is satisfied with the results. Furthermore, they always offer competitive prices, thereby making them more accessible to everyday individuals across the Charlottesville area. Their Google maps page at <https://goo.gl/maps/KKYyRni2V412>,

shows the geographical area in which they operate, offering resident and commercial painting services, cabinet services, pigment services, and power washing.

The company's Google maps page also shows just how happy their customers have been with the services they have received. After nearly 40 reviews, they continue to rank as a 5 star business, which is almost unheard of in the industry. Customers often remark on the professionalism of the employees, the excellent quality of work, the timeliness, and the affordability of the services.

Other customers have taken to the company's Facebook page at <https://www.facebook.com/PiedmontPaint>, to talk about their experiences. Here, the company has also received numerous positive reviews from happy customers, ranking as a 4.7 star business. Of interest is the fact that the only reason why they do not rank as a 5 star item is because one customer chose 2 stars rather than 4 or 5 in error and has not had the time to rectify this issue. Clearly, the company is the preferred business to go to in the Charlottesville area, with everyone agreeing that they are the best.
