North Edmonton Kia Announces 2023 Kia Sportage Specs for Canada

March 21, 2022

March 21, 2022 -

North Edmonton Kia, an auto dealer in Edmonton, Alberta, Canada, has announced the specs for the upcoming, completely redesigned 2023 Kia Sportage. This fifth-generation model for one of Kia?s most popular models is more dynamic, sportier, more innovative, and more connected than ever before. This model was built on the N3 platform and is wider and longer and provides more cargo space, while providing a more dynamic drive. And for the first time with Kia Sportage in Canada, it will have the HEV and PHEV powertrain options. It is also provided with the latest in safety technology, such as the latest Advanced Safety Driver Assistance system and the Blind View Monitoring system that was seen on the Sorento and Telluride. And it has an integrated infotainment system for maximum convenience and comfort. The dealership has previously released a press release about the 2023 Kia Sportage, which can be accessed at .https://www.pressadvantage.com/story/49938-north-edmonton-kia-offers-reservations-for-2023-kia-sportage

The exterior of the 2023 Kia Sportage shows a balance between modernity and spontaneous characteristics that are suitable for any road. The front fascia has a wide grille spanning the width of the vehicle, with the daytime running lamp (DRL) integrated directly into the grille housing, which maintains the vehicle?s signature ?Tiger Nose? grille. Its distinctive DRLs that are shaped as a boomerang are combined with the

rhombus-shaped headlamp define the new futuristic image of the Sportage.

The 2023 Kia Sportage has standard 17-inch alloy wheels with optional 18-inch and 19-inch alloys. Its voluminous lines and a rear spoiler provide the vehicle with better aerodynamic performance, combined with a confident and muscular contour. It is also provided with standard LED taillights plus optional full-LED black bezel rear lamp combined with a dynamic notch-shaped tail lamp with a 2-strip stop lamp and turn signal.

Based on the third generation, ?N3? platform, it is wider, longer, and provides more cargo space. It has an wider wheel base of 85 mm to allow more interior space; multiple load path body and anti-collision sub-frame to disperse crash energy and improve rigidity for enhanced overall safety.

The 2023 Kia Sportage has a comprehensive suite of amenities. These include: the 12.3-inch colour LCD with Integrated Navigation with user-friendly interface and near-cinematic display; integrated infotainment and air conditioning control keys for enhanced intuitiveness and luxury of the cockpit design; personalized profile and system setup, including Bluetooth connection; Surround View Monitor that uses four cameras to allow for a 360-degree perspective around the vehicle; and an array of advanced connected vehicle features.

The connected vehicle features include: Connected Routing, which is a cloud-based route calculation system to compute the optimal route utilising real-time maps and predicted upcoming traffic based on historical data and AI; Connected Weather, which offers weather information across North America; and advanced notifications, such as Engine Idle Notification and Automatic Engine Shut Off , SOS Connect and Roadside Assistance, On-demand Find My Car with Surround View Monitor, and Final Destination Guide.

Its Advanced Driver-Assistance Systems include the: Standard Forward Collision Avoidance with available Junction Turning capability; Standard Driver Attention Warning; Standard Lane Following Assist; Standard Rear Occupant Alert; Available Blind Spot Collision Avoidance Assist; Blind View Monitor; Available Rear Cross-Traffic Collision Avoidance Assist; Available Parking Collision Avoidance Assist; Available Navigation Based Smart Cruise Control-Curve; Available Highway Driving Assist; Available Safe Exit Assist; and Available Parking Distance Warning Forward/Reverse.

The new Sportage is set to release later this year. In the meantime, North Edmonton Kia has a wide selection of new Kia vehicles and pre-owned vehicles. Their expert finance team is ready to assist customers on looking for a suitable financing or lease agreement. They can also offer quality vehicle repairs and maintenance that is performed by expert technicians in their Kia service department. Those who would like to learn more about the Kia vehicles available can visit the North Edmonton Kia website at https://north-edm-kia.business.site/, or contact them through the telephone or via email. They can be

contacted from 9:00 am to 9:00 pm, from Monday to Thursday, from 9:00 am to 6:00 pm on Fridays and Saturdays, and from 11:00 am to 5:00 pm on Sundays.
