Plano Texas Foundation Repair Company Receives Positive Reviews

August 08, 2018

August 08, 2018 - PRESSADVANTAGE -

Plano Texas Foundation Pros are pleased to announce that they have a stellar string of reviews from satisfied customers. The leaders of the foundation repair company receives positive reviews which speak of the company's favorable prices, quality of work, professional crews and overall positive experience. The Plano team of concrete professionals are skilled in what they do. They also provide the best quality foundation repair services including slab repair, crack repair, pier and beam repair, and mudjacking.

In a five-star review on the website, Brian Deaton explained, "I recommend 100%. I searched Google for foundation repair companies, found Plano Texas Foundation Pros, and called to get an estimate. The quote was fair so I hired them to install three piers on a Saturday. The crew was very professional. Very good work and the experience was pleasant. I wish more contractors were this good."

The post of another actual customer, Richard Norman states, "They were a bit higher priced than some other bids we got, but I felt a lot more confident in them. They just looked and acted more professional."

The company provides Texas foundation repair services in other cities

<https://sites.google.com/site/texasfoundationpros2017>.

The team at the Plano location is highly experienced in repairs to all types of foundations, including the most common types of pier and beam and concrete slabs. They work on residential and commercial buildings. The assessment team looks at the damages to the existing structure and creates an affordable solution for the customer. Once the price is settled, the team goes to work promptly to complete the foundation repair job as requested. The pros also make the adjustments so that future issues in the structure are less likely to occur.
