Los Angeles, CA - Small Businesses In The News is offering a ClickFunnels coupon to the internet's smart landing page builder. The offer includes a free 14 day trial of their online platform. Over the past twelve months, ClickFunnels has wowed the Internet, with over 45,000 entrepreneurs moving their entire websites over to the platform.

The free 14 day trial of the Clickfunnels landing page builder has helped many Small Businesses and Marketing professionals with streamlining their day to day jobs.

Liz Benny said, "... I've been building out my new funnel inside of ClickFunnels, and after doing it, the idea of using anything else is daunting to me. I would have had to have membership software, landing pages, order forms and still figure out how to tie them all together. I'll never have to go through that again because of ClickFunnels."

Without having to hire a tech team, ClickFunnels allows Small Business owners and marketing professionals to cover all of their digital marketing needs. The funnel builder allows members to get rid of coders and shopping carts, create marketing automation, email and messenger marketing campaigns, replace their affiliate software, and replace designers and create beautiful pages in minutes. Soon ClickFunnels will even allow Small Businesses to replace their out of date CRMs and Membership software sites. With the ClickFunnels coupon provided here, those interested can get all of this and more for free for two weeks.

In a nutshell, ClickFunnels offers everything one needs to market, sell, and deliver their products online. By watching this short video on how ClickFunnels works and signing up for an account, those interested can gain access to two full free weeks in order to play around with the software and see how it works.
