August 30, 2022 -

Locally owned and operated 402 Container provides convenient same-day delivery for those seeking a reliable dumpster rental Omaha residents, businesses, and contractors use on a regular basis. The company prioritizes flexible scheduling options and convenient booking so that customers can reserve a roll-off container for residential or commercial projects from the comfort of their homes or while on the go. Those interested in learning more about the company?s policies or prices are encouraged to visit its official website.

Owner Tim Lowndes founded 402 Container with the goal of providing a simplified and streamlined method of waste disposal for his community. ?The need for dependable dumpster rentals is more prominent than ever,? Tim said. ?And it?s our goal to ensure our customers have everything they need to complete their projects in a timely manner without the added hassle of multiple trips to and from the landfill.?

The company offers same-day delivery options and online booking through its state-of-the-art website. According to the website, 402 Container regularly works with homeowners, property managers, businesses,

and construction companies to provide durable roll-off bins for short or long-term waste management use. On short notice, those interested in reserving a dumpster are encouraged to use the company website or text the staff members at (402) 979-5900.

402 Container offers three container sizes, including 12-yard, 15-yard, and 20-yard bins. The 12-yard measures 12? long by 8? wide by 4? high and the base price of $265 includes up to seven days of rental time and one ton of waste disposal. Additional days and extra weight are available for purchase at $15 per day and $50 per ton. The 15-yard measures 14? long by 8? wide by 4? high and the base price of $295 includes up to seven days of rental time and two tons of waste disposal. Additional days and extra weight are available for purchase at $15 per day and $50 per ton. The 20-yard measures 14? long by 8? wide by 5? high and the base price of $325 includes up to seven days of rental time and 2.5 tons of waste disposal. Additional days and extra weight are available for purchase at $15 per day and $50 per ton.

Delivery is available for a broad scope of eastern Nebraska, including Omaha, Bellevue, Papillon, Bennington, Fremont, Ralston, La Vista, Elkhorn, Valley, Waterloo, Gretna, Springfield, and surrounding communities. Delivery outside of the listed area can typically be arranged for an additional fee.
