November 14, 2018

November 14, 2018 - PRESSADVANTAGE -

In Celebrating their 48th Year in the Pest Control Services industry, Aantex Pest Pest Control NorCal has built a history with a proven track record of "Satisfied Customers first" and "Always Get it right the first time". This anniversary, which commemorates 48 years of challenges in keeping up to date with the most successful and cutting edge pest control also represents the fact that Aantex Pest Control NorCal has been able to Keep satisfied customers loyal to their business, year after year.

Aantex Pest Control NorCal is proud to announce the celebration of their 48th year of serving Sacramento and its greater surrounding areas with exceptional Pest Control services and management. Since 1970 Aantex is continuing to raise the bar in commercial, residential and property management services, offering the most fair and competitive prices in Northern California.

Beginning in 1970 Aantex Pest Control NorCal business owners Jim and Evelyn Wood took hold of an opportunity to fill a need in the pest control services and management while being able to raise and support a large family.

Now for over 48 years and counting, Aantex has been delivering outstanding pest extermination services. From exterminating roaches, rats, ants or fleas, bed bugs, spiders or other pest, Aantex Pest Control NorCal has provided these services to several counties in Northern California including Sacramento, Placer, Yolo and El Dorado Counties.

One of the many reasons for Aantex Pest Control NorCal's success in these areas is being able to maintain a growing number of loyal customers. This is not blind luck, but a caring attitude which is reflected by all Aantex's employees.

One triumph too for Aantex is that after 48 years in business even during many economic downturns they have been able to keep their doors open and grow into the successful company they are.

Owners and Managers at Aantex Pest Control NorCal, Jim and Evelyn Wood, agree that one big reason Aantex has such success is they have been able to keep a loyal, honest and exceptionally trained staff with a very low turnover throughout the years. They are doing things right at Aantex pest Control Norcal.

Owners, Jim and Evelyn Wood, are delighted to report that celebrating almost 50 years in one of the toughest markets for services rendered in Northern Cal is indeed a milestone among Pest Control companies.

According to co-owner and founder Jim Wood, "our continuing objective is and always will be, to provide exceptional customer service both in and out of our office. Customer satisfaction will continue to be the number one priority even before focusing on growth of our company." Aantex recognizes customer satisfaction will always bring growth and stability. They extend their utmost appreciation to any who along the way, have contributed in making Aantex Pest Control NorCal one of the most premiere pest control businesses in NorCal in a highly competitive field.

While learning how to build a new business along with providing the best service to customers and maintain lasting relationships with them was challenging at the start, not long after opening they were able to stand up to the challenge, while never having to compromising their quality of service or forgoing any family responsibilities. Not an easy task, representatives from the company say.

Aantex Pest Control NorCal is extremely grateful and wishes to thank customers' friends and associates for their continued support and congratulations on their 48th year of a successful and thriving Pest Control business.
