

Connecticut Chevrolet Dealership Continues To Support Toys For Tots Initiative

December 11, 2018

December 11, 2018 - PRESSADVANTAGE -

New Canaan, Connecticut based Karl Chevrolet Company continues to support the US Marine Corps' annual charity drive and is Fairfield County Connecticut's largest drop off location for the Toys for Tots campaign this holiday season.

"We're proud to be Fairfield County's largest Toys for Tots drop off spot for over 30 years now. We are very committed to charity. Through the years, I've always encouraged my children to pick out a toy that they would want to receive during the holidays, then come and put it in the truck to be given to a less fortunate child. It teaches them compassion and giving from an early age," says Leo Karl III President and General Manager of The Karl Chevrolet Company.

The Toys for Tots Charity is an annual gift-giving event lead by the US Marine Corps whereas during the holiday season, a truck is filled with toys for the less fortunate children. It is typically filled with presents and then emptied several times during the month of December because of the overflowing support from the community.

The Karl Chevrolet Company has been an official partner of the cause for more than 3 decades now. The company is also well-known for being the top Connecticut Chevrolet Dealership in New Canaan, Darien, Wilton and the surrounding areas. Since 1927, they have been offering an impressive range of vehicles from the Chevrolet lineup. The company's website at karlchevy.com contains a comprehensive list of Chevrolet vehicles that are currently for sale along with quality used vehicles. Customers are also able to filter the cars based on their budget and even on the car's special features. They also service and repair vehicles and have a reliable trade in program.

Hundreds of customers recommend Karl Chevrolet Company for being the best and most reliable Fairfield County Chevrolet Dealer. It is evident on their excellent recommendations from both Google and Facebook reviews.

"I cannot say enough good things about this dealership and service center. We bought our Tahoe from here last year and I always willingly make the 2 hour drive going there to have any service, oil change and repair that needs to be done on my car. The employees are the friendliest and most honest we've come across. If they can't answer my questions or help me with a problem, they find someone who can. The free shuttle service that takes my family to the shopping center nearby and picks us up while we wait is greatly appreciated. I highly recommend this establishment," says Kim Lexi Olson, a satisfied Chevrolet Tahoe owner.

Samantha Guarneri, another happy customer on Facebook said, "I purchased my first car at the Karl Chevrolet Company. I cannot stress enough how positive my experience was with them. I consulted with one of their Chevy experts and he made the car purchase such a breeze, even for a first timer like me. All of them were very patient and thorough in answering all of my questions. Their procedure was very easy to understand and most importantly, they had given me a very awesome deal. I am loving my new Chevy Trax and I would highly recommend them to anyone who are looking for great cars at great prices which are sold by great people."

Another customer, Matthew Pyle on Google said, "I've purchased my last three vehicles from Karl's. Every experience is just as good as the last. The negotiation and delivery are very smooth. The sales people are extremely professional. They certainly are my dealer for life."

Additional information on Karl Chevrolet can be found on the company's official website. Customers can also check out their official Facebook page to know more of their latest news, updates as well as special deals and ongoing promotions.

It is also highly recommended to visit the company's showroom in New Canaan and their friendly sales associates will be more than happy to assist incoming customers. At the same time, the Toys For Tots

campaign is still ongoing and Karl Chevrolet Company is encouraging the general public to join and donate gifts to the less fortunate children and spread the joy with the spirit of giving this Christmas season.
