June 27, 2015

June 27, 2015 - PRESSADVANTAGE -

Video SEO specialist Cyril Gupta announces the re launch of Tube Rank Jeet amid intense expectation from both web and video SEO experts. Cyril say`s "The re-launch of my best video ranking tool Tube rank Jeet will again be available July 29th."

Cyril explains explains his reasons for the re-launch. " I launched the first version of Tube Rank Jeet back video ranking software at the beginning of 2014 and people just loved what it did for them. It helped thousands of people to rank YouTube videos successfully. The version that I have today goes much beyond the earlier one. I have upgraded and overhauled the ranking engine to suit the new trends and requirements for 2015."

Here is a partial list of the functions of this newly re-made software:

1. Automatically do correct keyword research to start out on the proper foot as far as the ranking terms that you will go after.
2. Fully Automated Workflow: Design with full automation in mind, all data scraping, keyword research and

storing data will done for you automatically.

3. With just a click of the mouse find 1000s of profitable keywords nobody is ranking for, but everybody is searching for.
4. Get competition analysis for each keyword to filter the best keywords to target. \

Concluding Cyril ended with this, "If you really want to make a big difference for you marketing Tube Rank Jeet is the best piece of Software for the best possible price. There is nothing else like it. nothing so simple and nothing so effective. Use it and if you don` like it just tell me and I will make sure you are satisfied."
