

Long Island Federal Criminal Defense Attorney Jason Bassett Explains the Federal Criminal Defense Process in New York

November 21, 2022

November 21, 2022 -

Long Island federal criminal defense lawyer Jason Bassett (https://jbassettlaw.com/practice-items/federal-defense/) releases a new article that explains the process of federal criminal defense in New York. The lawyer mentions that federal crimes are usually prosecuted under federal criminal law and not under state law. Federal laws can be complicated and federal crimes usually carry harsher sentences.

According to the Long Island federal criminal defense lawyer, ?If you have been accused of a federal offense, you are facing a prosecution involving top prosecutors with all the resources of the federal government. When facing federal criminal charges, an individual must take prompt action and hire a highly-experienced federal criminal defense attorney.?

The lawyer explains that New York has been a primary hub for many federal criminal prosecutions. If

someone has been accused of a federal criminal offense, it is important to seek the help of a skilled defense lawyer right away. Federal crimes can be difficult to defend against since these crimes are rarely brought up unless the accused has been investigated for a long time.

Attorney Bassett mentions that federal criminal charges represent some of the most serious crimes in the United States. These crimes include narcotics distribution, racketeering, money laundering, homicide, counterfeiting, conspiracy, firearm offenses, medicare fraud, bank fraud, wire fraud, mail fraud, Hobbs act violation, drug crimes, and white-collar crimes.

In the article, the lawyer adds that facing criminal charges can be very frightening. Federal law enforcement can be intimidating so it is very important to seek the help of an experienced criminal defense lawyer.

Furthermore, attorney Jason Bassett also explains that the federal criminal defense process in New York can be complicated. The process includes an investigation, arrest, initial appearance or arraignment, indictment, and discovery.

Lastly, attorney Jason Bassett emphasizes the importance of having a good criminal defense lawyer when it comes to matters like federal crimes. Having a skilled lawyer may be able to help the accused protect their freedom. It may also be able to help the accused understand their rights in the case.
