New Jersey robbery lawyer Adam M. Lustberg (https://www.lustberglaw.com/new-jersey-robbery-lawyer/) releases a new article explaining the meaning of robbery under New Jersey law. The lawyer mentions that many people think that theft and robbery are interchangeable. However, in New Jersey, they are different. Theft in New Jersey is the act of unlawfully taking control of someone else?s property. Robbery is the act of subjecting a victim to physical force or threat of bodily harm during the course of a theft.

In the article, New Jersey robbery lawyer says, ?A conviction for Robbery will almost certainly result in a state prison sentence, of which 85% must be served before parole eligibility subject to the No Early Release Act (NERA). Getting a conviction on your criminal record can follow you for the rest of your life. This is why it is important to have an experienced robbery lawyer on your side.?

The lawyer mentions that theft is defined by New Jersey law as the act of unlawfully taking or exercising

control over someone else?s movable property with the intent to deprive the owner of access to the property. In New Jersey, there are also provisions for theft by deception and extortion.

Attorney Adam M. Lustberg adds that robbery cases are charged as first-degree or second-degree crimes. If the robbery involves an attempt to threaten or kill another person, then it would constitute a first-degree charge. The use of a gun or knife will constitute an armed robbery.

In the article, attorney Lustberg adds, ?Simply, robbery is the act of threatening or committing violence and harm to another person in the course of committing theft. Classifying robbery as a violent crime is a key difference that often elevates charges, including punishment, and makes building a legal defense all the more difficult for people charged with robbery in New Jersey.?

Lastly, the lawyer emphasizes that being charged with robbery can impact someone?s life significantly. This is why it?s very important to seek the help of a skilled theft defense attorney who can help the defendant understand his rights.
