Arlington Cosmetic Surgery Center Sheds Light On Procedures Offered In Arlington

April 14, 2023

Mansfield, Texas - April 14, 2023 -
Mansfield Cosmetic Surgery Center, a Texas-based cosmetic surgery center and Medical Spa, has released an informative article detailing their range of cosmetic plastic surgery procedures available to patients living in the Arlington, Texas area. The article outlines the benefits of cosmetic plastic surgery, the areas of expertise of the surgeon and staff, and the specific cosmetic surgery procedures offered. Dr. Michael L. Thornton, a double board-certified cosmetic surgeon and Diplomate of the American Board of Cosmetic Surgery, has helped numerous patients achieve their desired appearance through a variety of cosmetic surgical procedures.

Established in 2008, Mansfield Cosmetic Surgery Center provides a personalized experience for each patient. Dr. Thornton?s cosmetic surgery practice is conveniently located near Arlington, Texas and offers a wide range of facial plastic surgery, breast cosmetic surgery, body contouring procedures, and non-surgical aesthetic procedures. The article also emphasizes Dr. Thornton?s Medical Spa procedures like Botox, Xeomin and dermal fillers, medical esthetician services, laser skin technology and SkinCeuticals Skin Care Products.

The article highlights Dr. Thornton?s popular "Mommy Makeover" procedure, which simultaneously rejuvenates the breasts with overall body contouring, leading to improved self-confidence. The mommy makeover procedure includes a tummy tuck, with or without liposuction and breast enhancement, which may involve a breast lift, augmentation, or breast reduction.

The article notes that Dr. Thornton personally evaluates each patient's health history, conducts the physical exam, and recommends the most appropriate cosmetic surgical procedures based upon his client?s unique circumstances. Dr. Thornton spends ample time establishing a comprehensive physician-patient relationship with each patient and personally sees them during all post-operative visits, as this level of personal attention from Dr. Thornton is what defines his surgical practice. Consequently, Dr. Thornton has been consistently named ?SuperDoc? in addition to being selected as Reader?s Choice ?Best Cosmetic Surgeon? in Living Magazine Arlington & Mansfield.

Cosmetic plastic surgery procedures requiring general anesthesia are performed at a JCAHO (Joint Commission) accredited and AAAHC certified out-patient surgical center, located a few miles from Dr. Thornton?s office and a short driving distance from Arlington, Texas. In addition, all elective procedures are be monitored by a team of board-certified anesthesiologists and CRNA anesthesia providers.

The clinic has built a strong reputation in Arlington, Texas for providing exceptional care, as evidenced by the positive reviews of patients. Interested individuals can visit Mansfield Cosmetic Surgery's website to learn more about their range of cosmetic surgery procedures serving patients in Arlington, TX.
