Premier Outdoor Lighting Service Available In Northeast Metro Detroit

January 18, 2023

January 18, 2023 -
Blingle Premier Lighting of Clinton Township, Michigan is offering their premium outdoor lighting services to local residents and businesses. The lighting company has long established itself as a top provider of light design and installation services in cities throughout the United States.

A representative for Blingle says, ?The new year is here, and we want to wish everyone a very happy and productive 2023! Our hard work paid off wonderfully in 2022, and we are looking forward to doing more of the same this year. The holiday season is over, but that does not mean that you can?t do your part to make your house light up your neighborhood! While we do a lot of our work around the holidays, Blingle also provides excellent outdoor lighting services the rest of the year, so whether you are looking to install atmospheric lights for your backyard or just want to illuminate your patio, you can trust that we have the perfect lighting solution for your needs. We can also help local businesses make a better impression with customers who visit their premises.?

Blingle Premier Lighting offers a wide variety of lighting solutions for both residential and commercial clients in Michigan. With a team of dedicated lighting experts, Blingle has been able to create unforgettable

experiences for their customers, in Michigan as well as the rest of the country. The range of services provided by the company cover landscape and patio lighting, holiday lighting, permanent lighting, event lighting and commercial lighting. The company has provided specialized lighting installations to celebrate Halloween, Fourth of July, Valentine?s Day, Hanukkah, Christmas and more.

The company says that every lighting project they undertake follows a detailed plan to ensure that their client?s needs are met in an efficient and effective manner. From consultation to installation, Blingle works closely with their clients. The company?s lighting design experts will help clients choose the look and feel that is the perfect complement to their home or event. Blingle Premier Lighting uses cutting-edge computer-based lighting technology to help clients easily visualize and customize their project down to the finest of details.

Blingle Premier Lighting utilizes professional grade lighting products and technology that not only makes homes, businesses or events shine, but keeps the lights on longer, brighter, and more efficient. The company promises that their lighting fixtures and bulbs are designed to withstand even the worst of Michigan?s weather.

Bling Premier Lighting?s representative says, ?Not only are we committed to providing the best in class premier lighting to our clients in Michigan and across the country, we are committed to providing you with a premier customer service experience. Our lighting specialists and design team in Michigan are eager to help bring your lighting project to life ? providing all you need from design to installation, ongoing support and beyond. When you work with us, you can trust that Blingle is your trusted lighting partner and will be with you every step of the way.?

The high quality lighting services provided by the company has earned them great praise from homeowners all over the United States. In a review, Jeremy Z. writes, ?Ethan from Blingle holiday lighting came out and gave us a quote this last November. He was great at hearing what we wanted and recommended some things for us. Everything turned out great and looked great. We didn?t have any problems with any of the lights, and we live on top of a hill, so it?s pretty windy all the time in the winter. They came out and took everything down in January. Very happy with everything and will definitely be using them this Christmas season!?

In another review, Weysan D. writes, ?Our HOA used Blingle to decorate our neighborhood?s main entrance and were very happy with the service and professionalism. Blingle?s designers came up with a lighting package that perfectly captured the character of the neighborhood. We received numerous compliments about the lighting. Blingle was prompt and timely with installation and removal of the lights. When an animal chewed through one of the lighting cables, Blingle responded the day we called and had the lights back on that evening.?
