

Austin Health Insurance Plans Now Offered For Residents By Custom Health Plans

July 20, 2015

July 20, 2015 - PRESSADVANTAGE -

Custom Health Plans launches a new state of the art health insurance website and insurance tools to assist Austin, TX residents navigate the new health insurance marketplace and Obama Care. Custom Health Plans is a full service health insurance broker specializing in health insurance for individuals, families, self-employed, and small businesses - providing tools so they can shop, compare, and buy health insurance.

"Our mission is to help consumers navigate the new health insurance marketplace and assist them in finding the best plans and options," says Richard J Monello, President & CEO of Custom Health Plans. "We have created a state of the art website which allows consumers to easily navigate the maze of benefits and sort through the confusion and challenges of Obama Care."

There are many new laws and regulations which affect every family and business owner, and can create big gaps in coverage and potential tax consequences and fines. One option that has become more and more popular, and is a low cost alternative to Obama Care, is short term health insurance. This can provide a

bridge while outside of the open enrollment period. The company's insurance professionals have over 30 years of experience in the health insurance industry. Custom Health Plans works only with the top-tiered insurance carriers like Aetna, Blue Cross Blue Shield, United Health Care, Cigna and Humana - all of which are Rated A "Excellent".

Custom Health Plans also offers medicare supplement and medicare advantage plans to the senior market, as well as dental and prescription coverage, and they are currently offering a free health insurance check up with a licensed broker.

Custom Health Plans prides itself on its excellent customer service, and offers online health insurance tools from licensed agents at no cost. All fees are paid for by the insurance carrier. So for all intents and purposes there is no cost to use Custom Health Plans to help one find and choose the best health insurance options. Health insurance rates are regulated by the state so the rates you are quoted by Custom Health Plans, Inc. will be the best rates available no matter where you shop.
