Chairforce New Range of Outdoor Cafe Furniture with Innovative Features and Designs

March 16, 2023

March 16, 2023 -
Chairforce- Australia, a leading provider of commercial outdoor furniture, has launched a brand-new range of outdoor cafe furniture. This range is designed to offer comfortable seating and add a touch of elegance to any outdoor space. The new range boasts innovative features and designs that will suit the needs of any hospitality or restaurant establishment.

The collection comprises a range of outdoor cafe chairs, stools, tables, table tops and bases, and is available in a variety of styles, materials and colours. The new range has been designed to withstand harsh outdoor conditions and heavy use in public dining areas or restaurant spaces.

"Chairforce new range of outdoor cafe furniture is a great addition to their existing line of commercial furniture offerings. It's perfect for any establishment looking to provide its customers with comfortable, stylish and durable outdoor seating," said Harry Bray, Director of Chairforce.

The range includes several chair options including the Replica Tolix Chair in Raw Steel, the Javi Chair in Black, the Replica Eames Side Chair, the Camilla Chair, the Provincial Crossback Chair in Walnut or Natural,

and the Adella Black Plastic Chair. Chairforce also offers a selection of replica chairs that cater to any space, style or budget.

In addition, the range includes a variety of completed cafe tables such as dining tables, kitchen counter height tables, bar tables, and dry bar tables. Chairforce provides an extensive range of completed outdoor cafe tables that are ready for quick delivery services. The range also includes popular tabletop designs at great prices to suit many décors. These outdoor table tops are available in resin, solid wood, and more in several finishes and sizes.

Furthermore, They have table bases of every sort. The range includes commercial-grade bar height, kitchen bench height, dining table height, and even coffee table height. The selection of cafe stools is strong and sturdy, but also comfortable and visually attractive to fit in with the decor.

"Chairforce is excited to launch this new range of outdoor cafe furniture, and the team are confident that it will meet the needs of any hospitality or restaurant establishment looking for high-quality, durable outdoor seating. They are committed to providing customers with stylish and affordable furniture options," added Harry Bray.

Chairforce is dedicated to providing high-quality outdoor furniture at competitive prices, without compromising on quality or style. The company has been serving the hospitality and restaurant industry for over 10 years, and its expertise in the field is evident in the new range of outdoor cafe furniture.
