D.I. Auto Care Is Ready to Help Phoenix Residents Searching Online for "Auto Detailing Near Me"

April 14, 2023

Phoenix, Arizona - April 14, 2023 -
Phoenix metro area car owners are being urged to find out more about the mobile and on-site auto detailing services offered by D.I. Auto Care.

Regarded as one of the best providers for car detailing and car cleaning Phoenix has to offer, D.I. Auto Care can help customers enhance their car?s appearance, avoid expensive repairs, and improve their vehicle?s value in the resale market. The company provides a range of interior and exterior detailing services that encompass everything car owners need to make their daily driver look and feel pristine for years.

?Do you remember how you felt when your car first rolled off the dealership lot?? the spokesperson for D.I. Auto Care asks. ?With regular car detailing, there is no reason why your car can?t look and perform at its peak. Our services can not only make your car look more visually appealing but also make it an overall safer and long-lasting companion. We can restore your car?s paint, add wax-based sealants to protect its shine and stave off the damage from UV rays, remove the swirl marks and scratches that may betray its age, and even polish the chrome to make it feel brand new again. Call D.I. Auto Care today and our expert staff will guide you through every service that we offer.?

Phoenix residents searching online for ?Paint Correction Near Me? can also rely on the company?s range of auto detailing services to keep their car?s paint from fading, corroding, or suffering UV damage. Depending on the current condition of the car, detailing can take anywhere from a few minutes to an hour. The company uses the best, most reliable products on the market and pairs them with state-of-the-art equipment that assures a clean, bright, and shiny result, every time.

Customers are offered the choice of several ceramic coatings at a wide range of price points, each with their own special protection features. Drexler?s ceramic coatings are designed to last at least five years with the warranty period extending the time frame up to ten. The coating protects the vehicle against scratches and

water spots and makes it easy to clean with simple hose pressure.

Nasiol ZR53 is a nano-ceramic coating that has a two-layer system and offers maximum resistance to acid rains, UV rays, and bird droppings. The TUV-certified paint protection option creates a scratch-resistant surface making it ideal for a vehicle?s clear coat. PROJE ceramic coatings create weather-resistant shields that can also be used on the windshield and headlights.

?If you are worried about chipping paint and the damage your car might take, we can help you pick out the right coating option for you,? says the spokesperson for D.I. Auto Care. ?Our team has the experience to guide you on the right product based on how you typically use your vehicle. Whatever ceramic coating you choose, it will undoubtedly protect your car?s paint and give it many more years of adventure under the Arizona sun.?

D.I. Auto Care?s customers have repeatedly praised the company on its Google Business Profile where it has an enviable overall rating of 4.7 out of 5.0 from over 20 reviews. Reviewers note the company?s helpful customer service, the punctuality and professionalism of its car detailing technicians, and its dedication to always finishing the promised tasks on time.

One customer says, ?Just had my windshield replaced and removed my old window tint and re-tinted the windows a little darker. Service was excellent he came to my office very easy and painless, I didn't need to take off of work to get it done.?

One reviewer with a high-end vehicle writes, ?I just had my Maserati detailed and tinted. Awesome service. Paul came out to my office and took care of everything. Thanks again, Paul. Awesome work. Will definitely use it again.?
