April 04, 2023 -
Carmichael, CA - Tree Service Pros Carmichael is proud to announce the launch of their new line of sustainable home décor. Intending to reduce waste and promote sustainability, the company has created a unique selection of custom tree-based décor for consumers looking for a fantastic product.

Tree Service Pros Carmichael is an award-winning tree service and removal company based in Carmichael, CA. With decades of experience in the industry, their team of certified arborists has extensive knowledge of the local flora and fauna. This expertise has now been leveraged to create a line of beautiful, sustainable home décor products from reclaimed wood and other locally sourced materials.

?We are excited to be launching this new line of sustainable home décor products,? said Nemet William, CEO of Tree Service Pros Carmichael. ?At Tree Service Pros Carmichael, we strongly believe in reducing waste and promoting sustainability. We saw an opportunity to use our expertise to create something unique and beautiful that could help customers add a touch of nature and personality to their homes while also

helping to protect the environment.?

The company?s new line of products includes everything from table centerpieces and wall art to furniture pieces and decoration items. Their products are handmade by skilled craftsmen using only the highest quality materials and finishes. In addition, the company is dedicated to creating aesthetically pleasing and environmentally friendly products.

?We understand how important it is to ensure our products are not just aesthetically pleasing but also eco-friendly,? said William. ?That?s why we ensure that all our materials come from sustainable sources, including reclaimed wood from local forests. We strive to create products that can be enjoyed for years without worrying about their environmental impact.?

In addition to their selection of products, Tree Service Pros Carmichael also offers custom design services for those looking for a completely unique piece. Customers can work directly with the company?s designers to create one-of-a-kind pieces explicitly tailored to their home or office space. No matter the customer?s vision, the Tree Service Pros Carmichael team will bring it to life.

With their new line of sustainable home décor products, Tree Service Pros Carmichael hopes to help customers add a touch of nature to their homes while doing their part for the environment. Their mission is to provide customers with beautiful pieces that will last for years without significant environmental impact.
