March 28, 2019 - PRESSADVANTAGE -

Louisville, KY- Bill Buys Houses has recently made the announcement that they are purchasing houses in the Louisville, KY area from homeowners who are looking to sell quickly. They omit the need to list a house with a traditional real estate agent making it much easier for homeowners to sell.

Chris L., spokesperson for Bill Buys Houses recently said, "We are currently looking to purchase homes in the Louisville area. No matter the situation or condition of the home, we are fully prepared to make a reasonable cash offer for the homeowner. We are working with homeowners directly in order to omit the need for a traditional real estate agent."

Homeowners who find themselves in any situation that requires them to sell their home, are encouraged to take a look at the company's website at <https://billbuyshouses.business.site/> to get a better feeling for what the company actually does. Many clients feel that working with a company like Bill Buys Houses is much less tedious than selling a home the traditional way.

Selling a home can be a stressful and lengthy process for a homeowner. They can be required to make costly repairs, stage their home, and deal with open houses and various showings. When a homeowner decides to sell their home to Bill Buys Houses they do not have to worry about dealing with any of those things. The entire process is very straightforward from start to finish.

Bill Buys Houses has made the entire selling process far easier than listing on the market. The process is very straightforward and their team of experts communicates with the homeowner throughout the entire process in order to move things along smoothly for the property owner.

This scenario appeals to many homeowners because it goes quickly, does not require any investment on the part of the homeowners. Homeowners will not be required to obtain an appraisal, have an inspection done, or pay for any costly repairs. The homeowner makes the decision to accept the cash offer presented to them for their home or not. In the event that they do accept the offer, the process of setting up closing starts. Typically, closing is done within 7 days, freeing the homeowner of the property.

Homeowners in the Louisville area, are encouraged to contact Bill Buys Houses. They purchase homes in any condition, even those lacking curb appeal. Even if a homeowner still owes money on their house, Bill Buys Houses is still willing to make an offer.

Bill Buys Houses has been in business in Louisville, KY for many years. They have made themselves familiar with the area and are aware of the importance of moving a home sale along quickly. While some homeowners prefer the traditional way of selling their home, it is simply not a good fit for everyone. Any homeowners who feel that placing their home with a real estate agent is not the best option for them, is encouraged to contact Bill Buys Houses to get the process started. Their skilled team is ready to help homeowners through the process from start to finish to get them the offer they deserve for their home.
