

Dor-Mar Offers Trusted HVAC Service in Columbus, Ohio

April 01, 2019

April 01, 2019 -

Columbus, Ohio (March 26, 2019) -- The weather is often unpredictable, but homeowners need to have peace of mind knowing their HVAC systems are operating properly in order to keep them comfortable. Dor-Mar Heating & Air Conditioning offers trusted HVAC service to eliminate any uncertainties when it comes to staying comfortable indoors. Winters are cold and summers can be very warm in Columbus, so count on Dor-Mar to keep homes and office spaces comfortable.

The expert technicians at Dor-Mar are ready to handle any HVAC service needs for business owners and homeowners alike. Dor-Mar offers competitive maintenance packages, which can prevent costly repairs and make HVAC systems extend their lifespan. Customers can also expect to receive personalized advice based on their existing HVAC systems, their budget, and both current and future concerns. Nothing is worse than an equipment failure and having to suffer through uncomfortable indoor temperatures throughout the day and night, and a preventative maintenance plan with same-day service can eliminate those concerns.

About Dor-Mar Heating & Air Conditioning

Dor-Mar Heating & Air Conditioning has served residents and business owners in and around Columbus, Ohio for more than 55 years. The experts and technicians at Dor-Mar have a wide range of experience and can tailor solutions depending on the individual customer's needs. Whether a customer needs a one-time repair or would like a more structured preventative maintenance plan, Dor-Mar has an option to suit every need. All it takes is a quick call to learn how they can help ensure comfortability indoors.

Dor-Mar Heating & Air Conditioning has earned its positive reputation because of their solid workplace culture. Each of the 30 employees are held to the highest standards in customer service and are required to continue learning about the latest developments in the HVAC industry. Customers benefit from this culture by always receiving tailored recommendations that are proactive in order to prevent costly HVAC issues in the

future. Dor-Mar knows unexpected HVAC issues may arise, so they offer same-day repair service in Columbus, Lancaster, Zanesville, and Newark, Ohio. Whether an HVAC emergency has surfaced or if a regular maintenance plan would be beneficial, visit Dor-Mar Heating & Air Conditioning at dormarhvac.com or give them a call at (614) 238-6689.
