

Edmonton Reviews Of Used Car Dealerships Recognise Car Corner For Going The Extra Mile

April 25, 2019

April 25, 2019 - PRESSADVANTAGE -

Edmonton, Alberta based Car Corner is pleased to acknowledge new 5-Star reviews of their services, proving the company goes the extra mile by providing 100% approval when financing cars. "We offer the best prices in Edmonton and can provide 100% guaranteed approval on our premium used cars, SUVs, and trucks," said Matthew Allan, Car Corner.

Caussandra Sale gave the company a 5-Star review on Google, saying, "Quite honestly, I have never had such amazing customer service in my life, and it's all thanks to Omar. He made getting a car such an amazing experience. Not only did he help me, but he went above and beyond to make sure we got into a vehicle. Thank you Omar for everything. I wish there were more stars because you deserve more?" and Felicia, thank you for driving me where I needed to be in order for this happen! If anyone has bad credit and needs a vehicle, Car Corner and Omar are your guys!?"

Any individual or business looking for a used but reliable and high quality car for their business or for their family will be delighted to know that Car Corner can provide first-rate used cars, SUVs, and trucks in Alberta, British Columbia, and Saskatchewan. Those interested may find toll free contact information here:

Many people look at online reviews before visiting car dealerships to get a sense if they can trust the business to really help them. For those who need to replace a car quickly, or even just need to get wheels so they can get back on the road, Car Corner are the consumer's choice In Edmonton. If they don't have the exact model a customer wants, they can find it through their Alberta vehicle network.

Steve St. Jean's shared their experience with the company, saying: "I bought a car off my dad in January and it broke down as quickly as I spent the money. For about five weeks in the coldest month in Calgary, I took transit to my job sites, and my days were over 11 hours long. It was horrible. I called Rick at Car Corner as I was really at the end of my tether with how hard it was to get around. I explained my financial situations as I'm on a tight budget, and he was able to get me approved for a cute little car."

In order to enable their customer's convenience, Car Corner has set up a Google Business Site which works across any platform, including mobile devices. Visitors can call them directly, or even download directions to the company's Edmonton location. See more here: <https://car-corner-edmonton.business.site>.

Matthew Allan of Car Corner adds, "Car Corner is proud to earn the trust our customers place in our certified vehicles and our service to get them on the road. We know that buying a car, especially a pre-owned vehicle, can be filled with uncertainty. Through no fault of their own, many find it difficult to find the financing, and sort out insurance and any other issues when acquiring a car. Customers choose Car Corner because they are guaranteed convenient and efficient car dealership services all under one roof. Finding affordable used cars in Edmonton could not be easier, especially with our almost 100% approval for financing."

Another 5-star review, by Chantelle Belanger, said, "Rick, from Car Corner Edmonton, is honestly the only person who has helped me get a car twice. I was getting turned down left and right due to my credit and some other things that were stopping me. Other places said they couldn't help at all, but he managed to figure everything out and I had an easy trade in now too. I would honestly recommend him as he goes above and beyond to make sure the deal goes through. He doesn't like wasting anyone's time. So happy with my new car and all his help."

More reviews can be found on their Google Maps listing at: <https://goo.gl/maps/NqByTH5qgXA2>. This also includes a link to their website and lists the company's opening hours.

Interested customers may find out more about the company's offers and services by contacting Matthew Allan of Car Corner. The used car dealership can also be found on their social media platforms.
