Silver Creek Rentals Provides Dumpster Rental Service in Bowling Green KY

June 01, 2023

June 01, 2023 -
Silver Creek Rentals is offering dumpster rental services to residents of Bowling Green, KY, and surrounding areas. Their dumpster rental services can be used for both residential and commercial projects that require waste containment and disposal. They can provide roll-off dumpsters for a project inside or outside a home, office, business, school, church, or construction site. More about the company and their services can be gleaned from their website at https://www.silvercreekrentals.com/.

Phares Martin, owner of the company, says, ?Our local team is ready to deliver the dumpster rental Bowling Green KY relies on to your location for all your waste management needs. Whether you need a short-term or long-term rental, we deliver heavy-duty options that are easy to load and will handle all of your debris and waste materials. We are a locally owned and operated company that puts our customers? satisfaction as our top priority. We work with your schedule to professionally deliver the container you need at a great price in Bowling Green, Kentucky, and the surrounding areas of Warren County.?

There are three available sizes of roll-off dumpsters available from Silver Creek Rentals. These are the 12 yard dumpster, 20 yard dumpster, and 30 yard dumpster. The 12 yard dumpster measures 14 feet in length, 8 feet in width, and 4 feet in height. It is often used for small-scale projects, such as: removal projects for 250 sq ft deck; 1,500 sq ft roof shingle projects; clean-outs of garage, basement, or attics; and small bathroom or kitchen renovation projects.

The 20 yard dumpster measures 22 feet in length by 8 feet in width and 4 feet in height. It is appropriate for a broad variety of projects that produce around 10 pickup truck loads of waste and debris. It is frequently used for: carpet and flooring removal projects for a large house; 2500 to 3000 sq ft of single layer roof shingle removal; cleanups of the attic, basement, or garage; or 300 to 400 sq ft of deck removal.

The 30 yard dumpster measures 22 feet in length by 7.5 feet in width and 6 feet in height. It is typically applied for garage demolitions, the construction of a new home, or major home addition projects. It is frequently used for comprehensive residential and commercial cleanout projects. It is usually appropriate for: garage demolition debris; new home construction debris; major home addition debris; whole-home window or siding replacement; office or commercial building cleanouts; commercial roof tear off debris; and huge amounts of demolition debris.

Also available for rent daily or weekly is the 7 x 14 dump trailer. Other equipment available for rent are the: 19-foot jig scissor lift, Bobcat 430 mini excavator, and Bobcat T770 skid steer.

Silver Creek Rentals is a locally owned and operated company offering dumpster rental services in Bowling Green KY and neighboring areas. They offer both short-term and long-term rental of heavy duty dumpsters for loading and handling debris and waste materials.

Phares Martin says, ?We are proud to serve Bowling Green KY and neighboring communities with top-quality bins that safely contain and dispose of debris and waste from residential projects, construction sites, roofing jobs, and commercial productions of all varieties. Use our online booking platform to schedule a container for your residential or business use in a matter of minutes. If you need help or have questions, give us a call to speak with a member of our knowledgeable team, and we?ll get you squared away today. Clean up your mess with ease and choose Silver Creek Rentals for hassle-free dumpster needs.?
