Couples can choose from many wedding officiants that are all comfortable performing gay weddings. One of the trusted licensed wedding officiants in Jacksonville, Florida, is Selecia Young-Jones of the Rainbow Mobile Notary and Nuptials Wedding Officiant Network.

Rainbow Mobile Notary and Nuptials Wedding Officiant Network assures that their weddings will be legally recognized throughout Florida. Wedding officiants ensure the signing of the marriage license and see the couple's informed consent. Among their other responsibilities is to verify the state vital records office and the Clerk of Court receive the correctly submitted marriage license. In addition, they plan the event and preside over the dress rehearsal. Their presence is also essential in answering questions and advice for the ceremony.

Finding the right place to get married is not a problem too. The Rainbow Mobile Notary and Nuptials Wedding Officiant Network also have an LGBTQ-friendly venue.

The Rainbow Wedding Chapel is a great place to tie the knot. The Rainbow Wedding Chapel is at 491 W Forsyth Street, Jacksonville, FL 32202, Retail Level, 1st Floor of the Duval County Courthouse Garage.

Gay couples can happily get married under the rainbow with the chapel's two unique settings. Beach weddings have a sand and boardwalk setting, while Garden Chapel weddings can occur on the grass in front of a beautiful flower wall, topiary boxwoods, and a stone wall. No one has ever had their wedding day ruined by bad weather because their chapel is always comfortable, no matter the season.

There are a variety of wedding ceremonies available to couples. Any and all forms of prayer are welcome. They also tailor the ceremony to the couple's preferences.

Meanwhile, online notarization is another area of expertise for Rainbow Notary and Nuptials, in addition to weddings. Remote notary speeds up business dealings. They use Remote Online Notary systems with Knowledge-Based Authentication, which checks the signer's identification documents, like a driver's license or passport, to ensure they are legitimate.
