July 27, 2015 - PRESSADVANTAGE -

A makeup brush set recently released on the Amazon marketplace by international makeup artist Malika Jafrin has been hitting record sales since its introduction. The professional kabuki makeup brush set features 10 pieces including brushes for eyes, blush, bronzer, and foundation.

Malika Jafrin makeup artist for brides, celebrities, and more, has an international presence. The artist, from London, has experience ranging from fashion and bridal makeup to media and celebrities. The brush set, released several weeks ago for purchase, has been literally flying off the shelves. "We can't believe the overwhelming response," says Amelia Zara Asad, spokesperson for Malika Jafrin. "We expected people to like it, but this response is amazing."

Malika Jafrin, designer and creator of the brush set, is a self-taught makeup artist who got her start studying Humanities. Her portfolio has been featured in a number of publications including Kush Magazine, Vanity, International Makeup, and Asiana, among others.

The company offers a lifetime guarantee and a 60 day refund period. Those who are not completely satisfied

can return the set for a full refund. The high quality materials allow for washing of the brushes without shedding. Many customers claim this to be their number one reason for purchasing.

Jennifer Slaven is a makeup artist in L.A. "I've been using this set on my clients since it first came out, and I wouldn't go with anything else. The brushes are such high quality, and there's none of that falling out bristles that you have to deal with in many other makeup sets."

Those who would like more information about Malika Jafrin can visit the company's website or their Facebook fan page to gain insights into makeup in general and what new products the artist may be planning to release.

"You just never know," states Amelia Zara Asad. "We may come out with an entire collection of makeup and brushes at some point. Right now, our makeup brush set is hitting it big with professionals and consumers, which is wonderful. We are always looking for ways to improve and to provide our customers with more of what they want."
