Trading requires a person to be a life-long student and eager learner. This characteristic is what sets successful traders apart from those who are not. Continuous practice and refining trading strategies is a priority for traders who want to maximize profit. There is no cookie-cutter approach, one must carefully discover new trading practices that bring results. Earning or losing money in trading is never an accident it is always by design.

One of the most sought after successful traders Markus Heitkoetter, CEO of Rockwell Trading, posted several free YouTube videos sharing best practices and critical lessons learned through his own personal trading journey. The channel houses over 350 videos and the playlists have been organized in a way that address the different stages of trading. The videos are quick learning sessions one can enjoy while having a cup of coffee. Whether a newbie or experienced trader, learn from one of the best in the trading industry by subscribing to Markus Heitkoetter?s YouTube channel here: <https://www.youtube.com/user/rockwelltrading2008>

The channel is organized into segmented playlists appealing to different types of traders. Here are some of

the playlists and what to expect:

Coffee with Markus: Videos for beginners and seasoned traders alike. These are usually five minutes or less focusing on three main things: knowing what to trade, when to enter, and when to exit - either a profit, or with a loss.

Stock Market Updates: Quick videos where Markus provides a summary of the current trends in the stock market.

Rockwell Trading Reviews: Rockwell Trading Bootcamp participants sharing on the learning experience and the results obtained using the company's software, the PowerX Optimizer.

Markus Heitkoetter continuously shares expert advice to help traders turn financial goals into reality. Being a successful trader is a journey not a destination. Start the journey now by liking and subscribing to Markus? YouTube channel.
