August 14, 2023

Mesa, Arizona - August 14, 2023 -
Mesa, AZ ? As families across the nation prepare for the return of the school year, Seat Covers Unlimited is proud to announce a special Back to School Sale, tailored to help parents protect their vehicle's interior from the daily wear and tear of children's car seats, booster seats, and sports equipment.

As children get back to their regular schedules of school, soccer, football, lacrosse, and more, the need to ferry them around becomes part of daily life. This routine can take a toll on the vehicle's factory seats, leaving them vulnerable to stains, scratches, and general wear. Seat Covers Unlimited's range of high-quality seat covers offers the perfect solution to keeping car interiors in pristine condition.

Protecting factory seats is essential to the resale value. Children's car seats and booster seats are essential for safety but can cause abrasions and indentations on the factory seats. Add in the muddy cleats and sports gear that accompany after-school activities, and the risk of damage to the vehicle's interior skyrockets. Seat Covers Unlimited's wide array of seat cover options provide the protection parents need, without sacrificing style or comfort.

During the Back to School Sale, customers will find exclusive discounts on a range of products specifically designed to withstand the rough and tumble of family life. These seat covers are crafted from durable, high-quality materials and are available in various styles and colors to suit all tastes and vehicle interiors.
